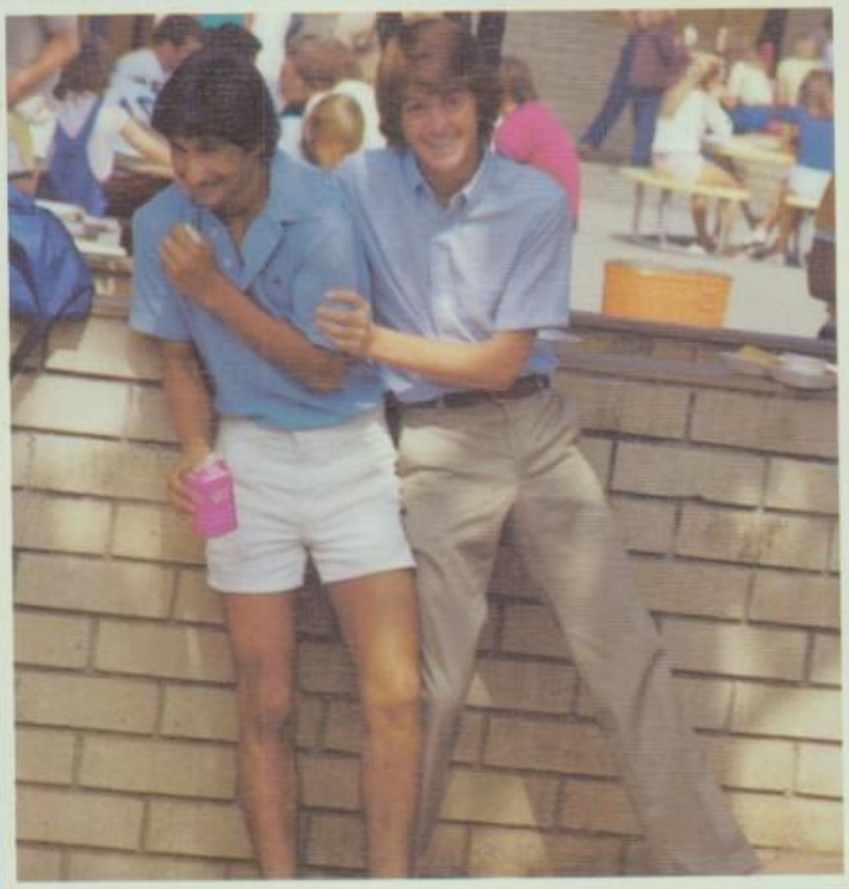
...FRIENDSHIP

Junior girls hold onto an everlasting friendship.



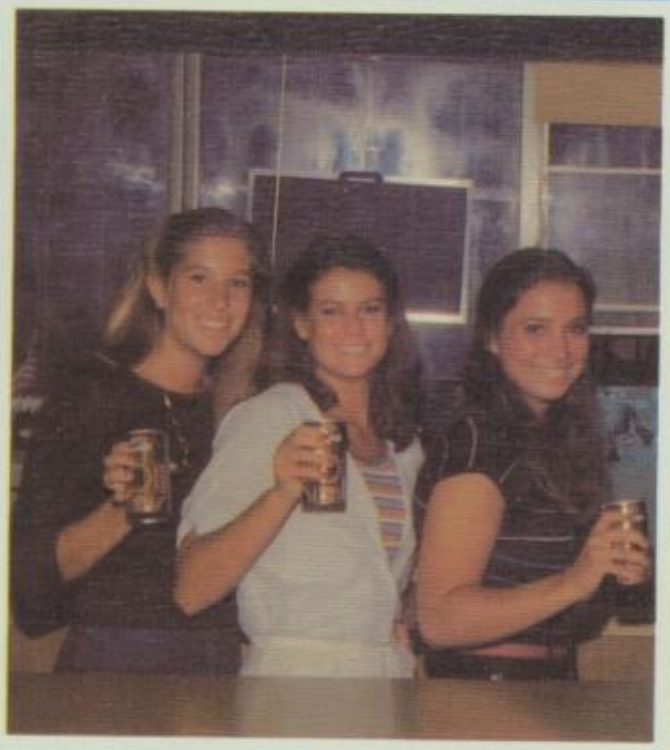
At lunch, Dave Alvarado grabs Mario Vega for a quick picture.

Friendship is difficult to
measure or put a price on
I use your friendship
as a wall
to lean on
a hand to hold
a shoulder to cry on
a soul to laugh with,
I need your friendship
as much
as I need love.
Count on me
when you need
And thanks for
being you –
Friend.

B. J. Rasmussen

...SMILES

Margie Carter takes time to smile before class.



Senior girls sell drinks during a dance.

Ann Hoffman shows how she keeps her lunch fresh.

Craig Briggs and Pat Thayer make Lori Hansen pose for an after the game picture.

Carole Conroy waves to her fans.

How can a smile
say so much
all at once –
enchanting
and bewitching,
daring
and soft
embracing
and tender.
How does your smile
say so much
and still say,
you need me.

B. J. Rasmussen

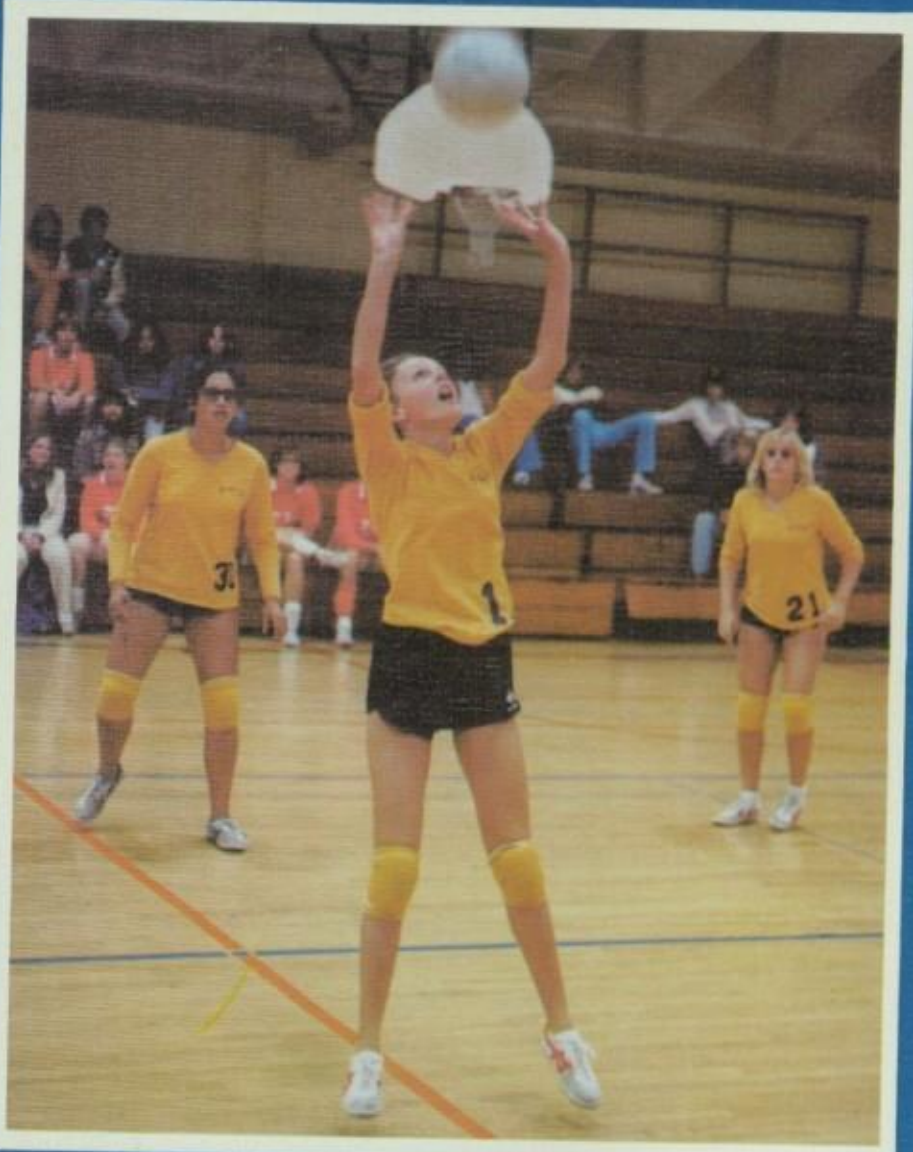
...SPORTS

Leigh Graves shows great concentration in tennis.

We fight together and help each other. We strive for the best. We always accept the challenge, and work our way to the front of the line.

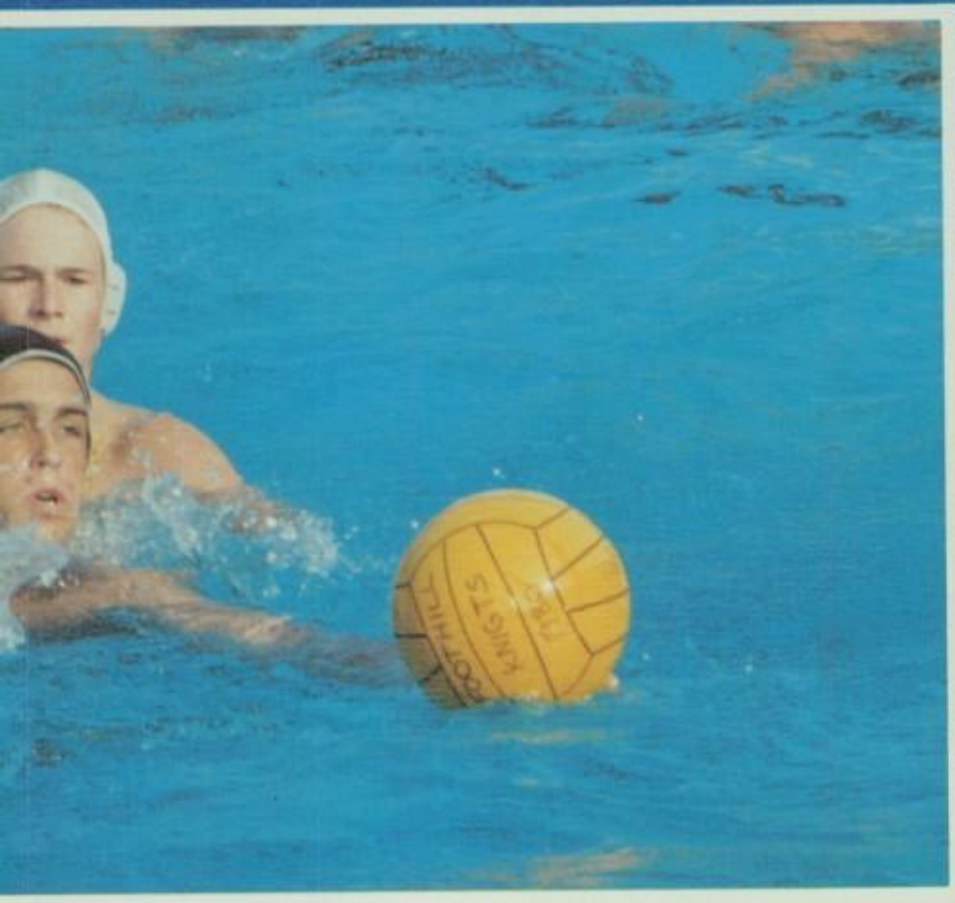
Connee Vallee

Mark Terry shows his talents in waterpolo.

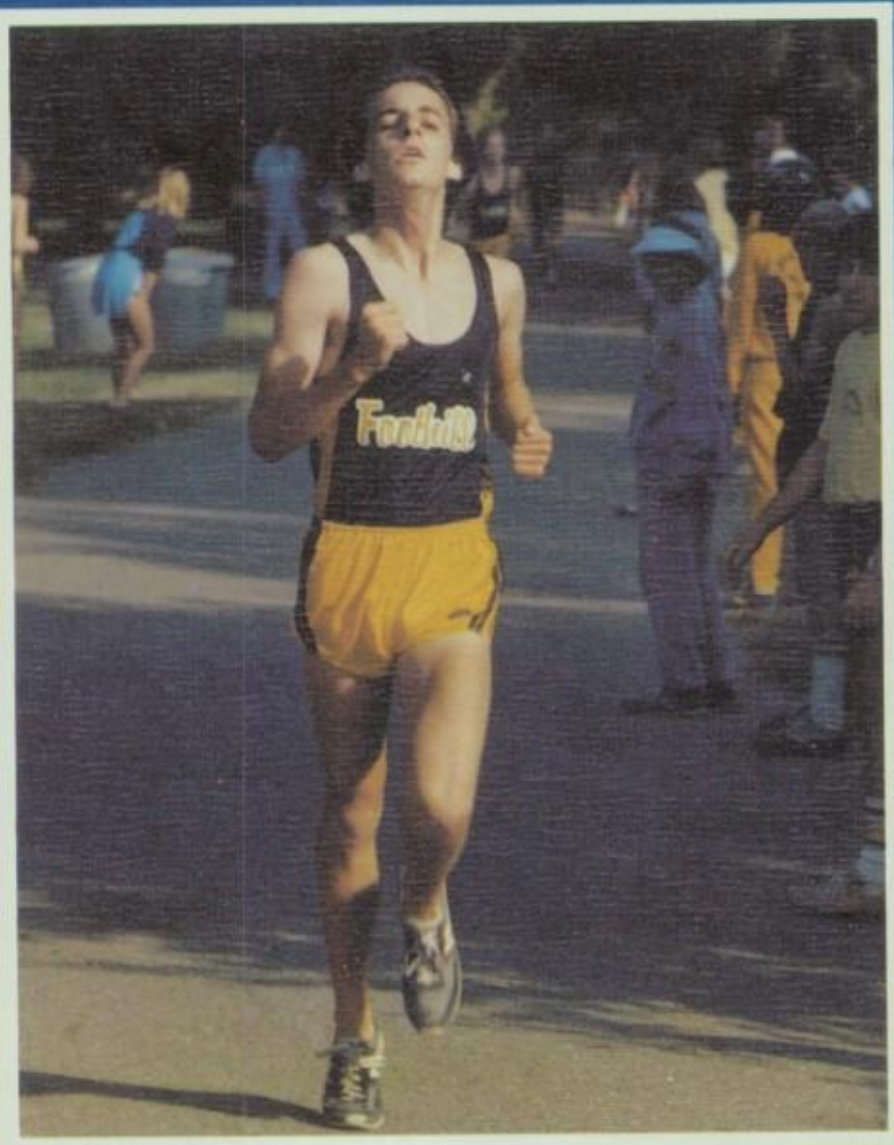


Wendy Lindahl makes an outstanding set.

PHENOMENA



Craig Miller goes with gusto.

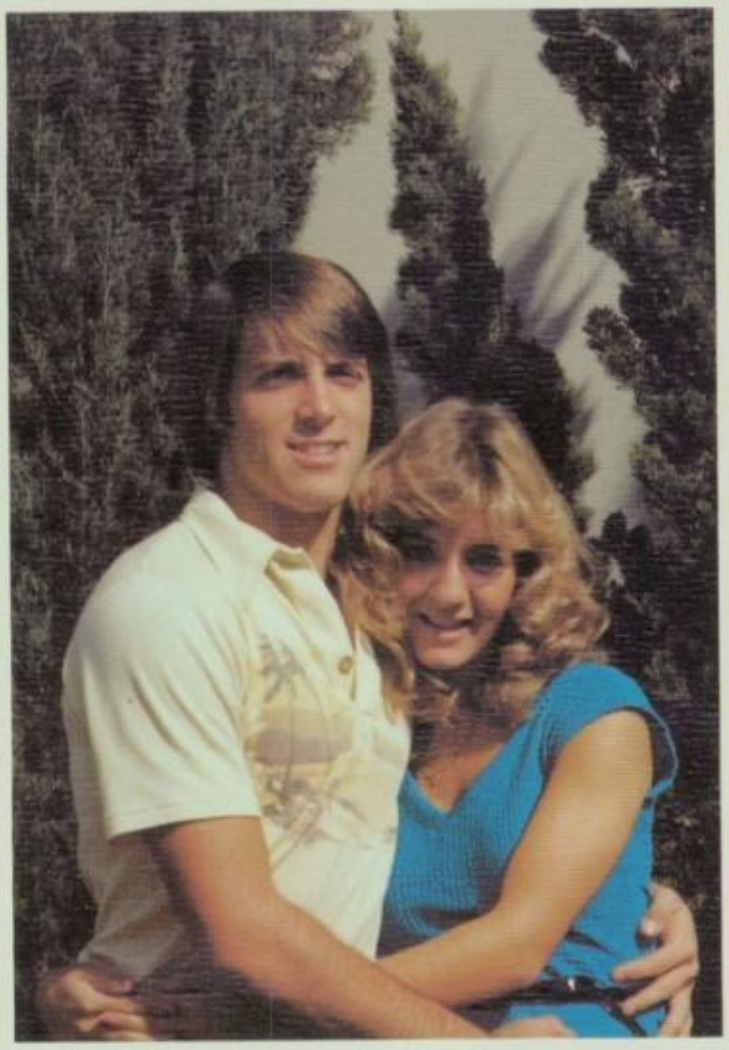


Rob McKay finishes with a good time.

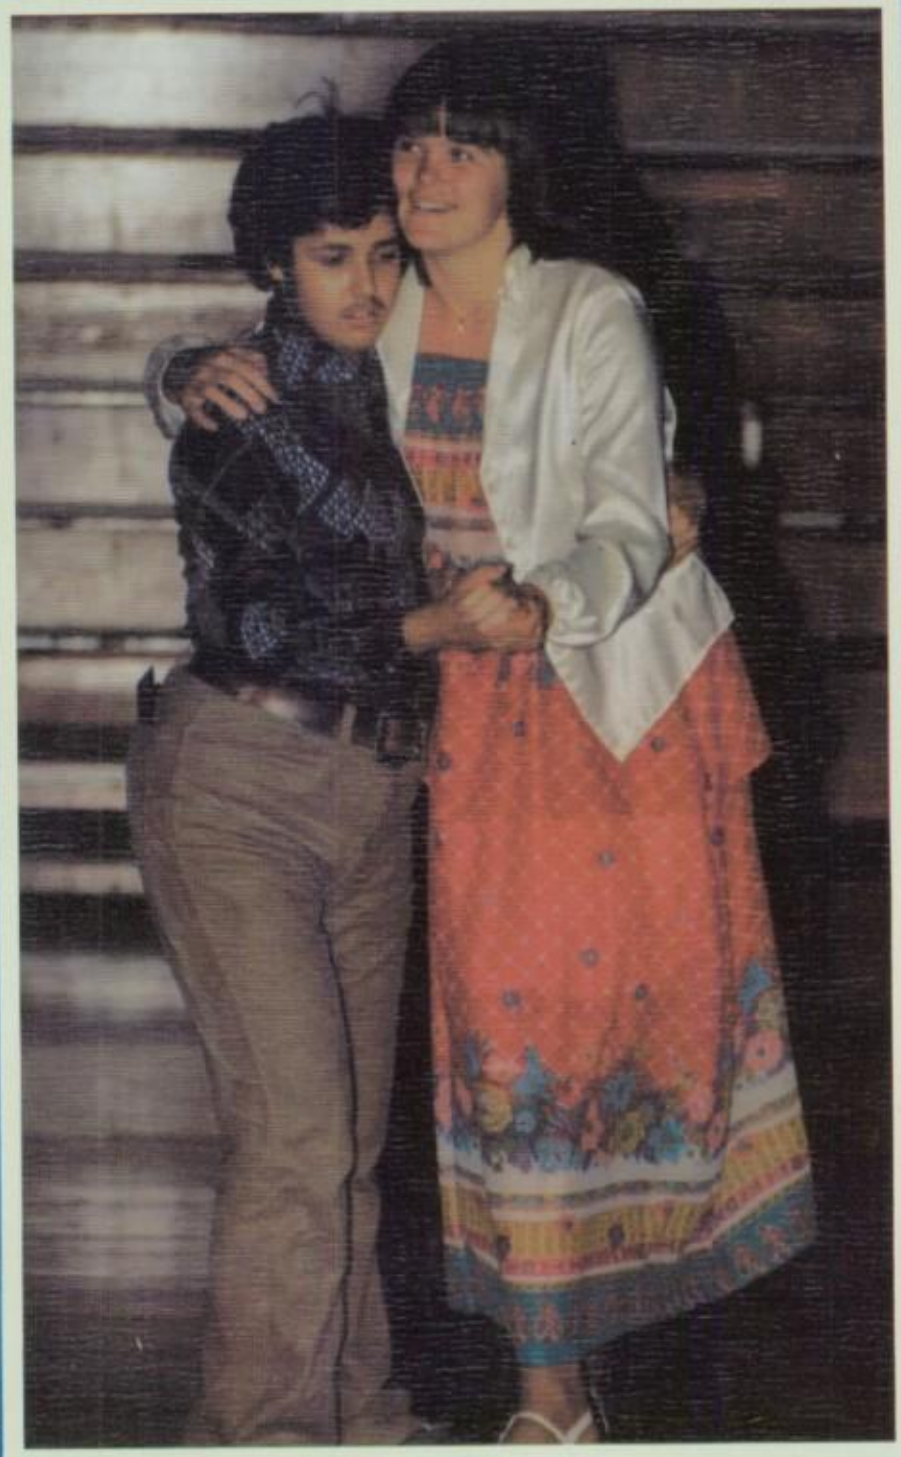
Chad Higdon assures Liz Garey that he will return.

Mike Johnson hugs Joelyn Gravley by the cafeteria.

...COUPLES



Tony Sfreddo and Amy Shrider think about the future.



Freshmen dance after the Tustin game.

Connee Vallee and Mike Williams portray Pebbles and Bam Bam.

When I was a kid
I'd sneak cookies
when no one
was looking

it's true
Now that I'm older
I'd Really
like to sneak off
with you ...

Laurence Craig-Green

...CRAZY

Kristy McGivern wears the stylish cowboy hat.

Foothill girls have got the look.

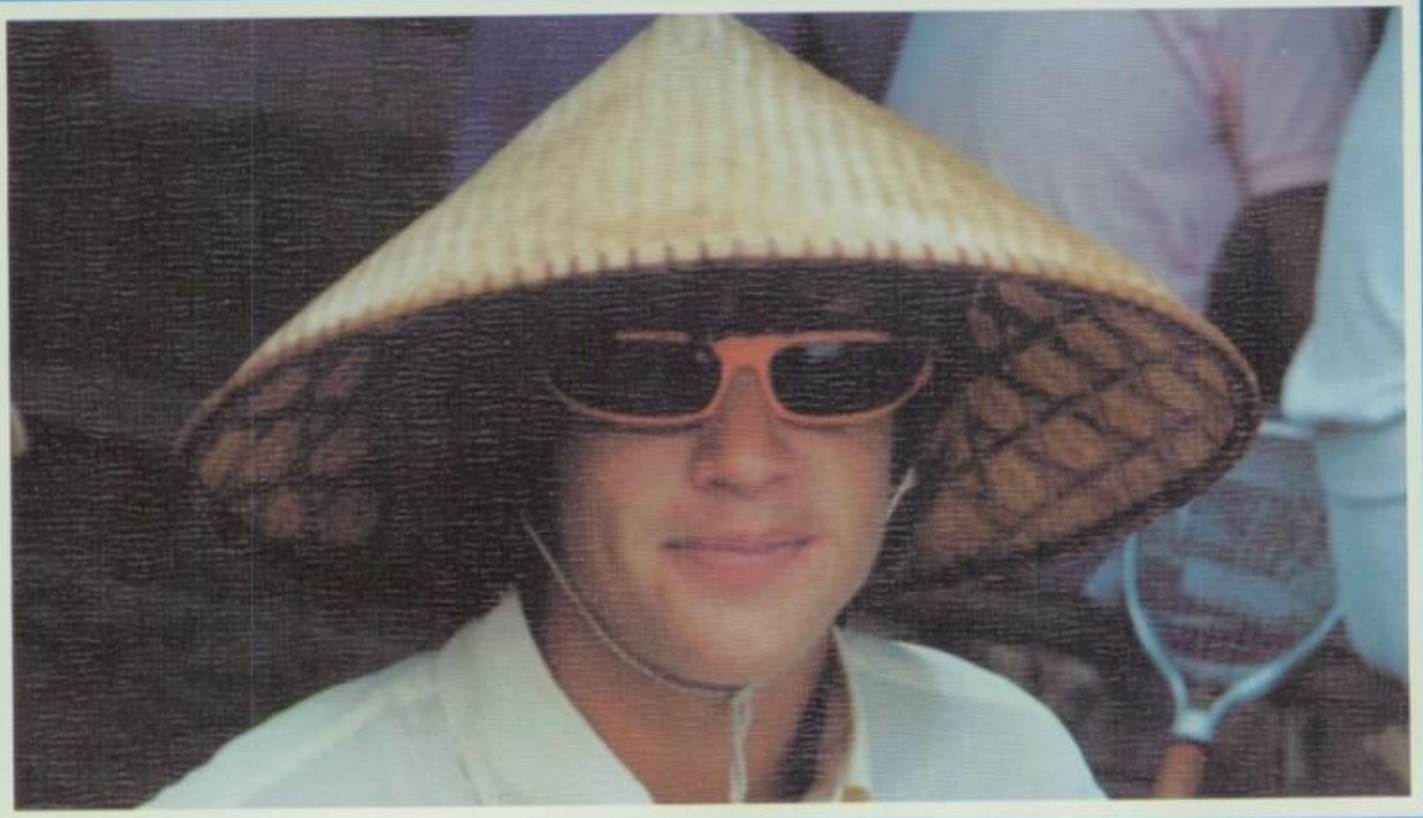
Fads;
ever changing,
always rearranging
the look of the times.

The crazy way
in which people express
their views of the era;

Only to fade away
and be replaced
by new
Fads.

Leslie Wolcott

FADS



Craig Boris wears flashy orange glasses.

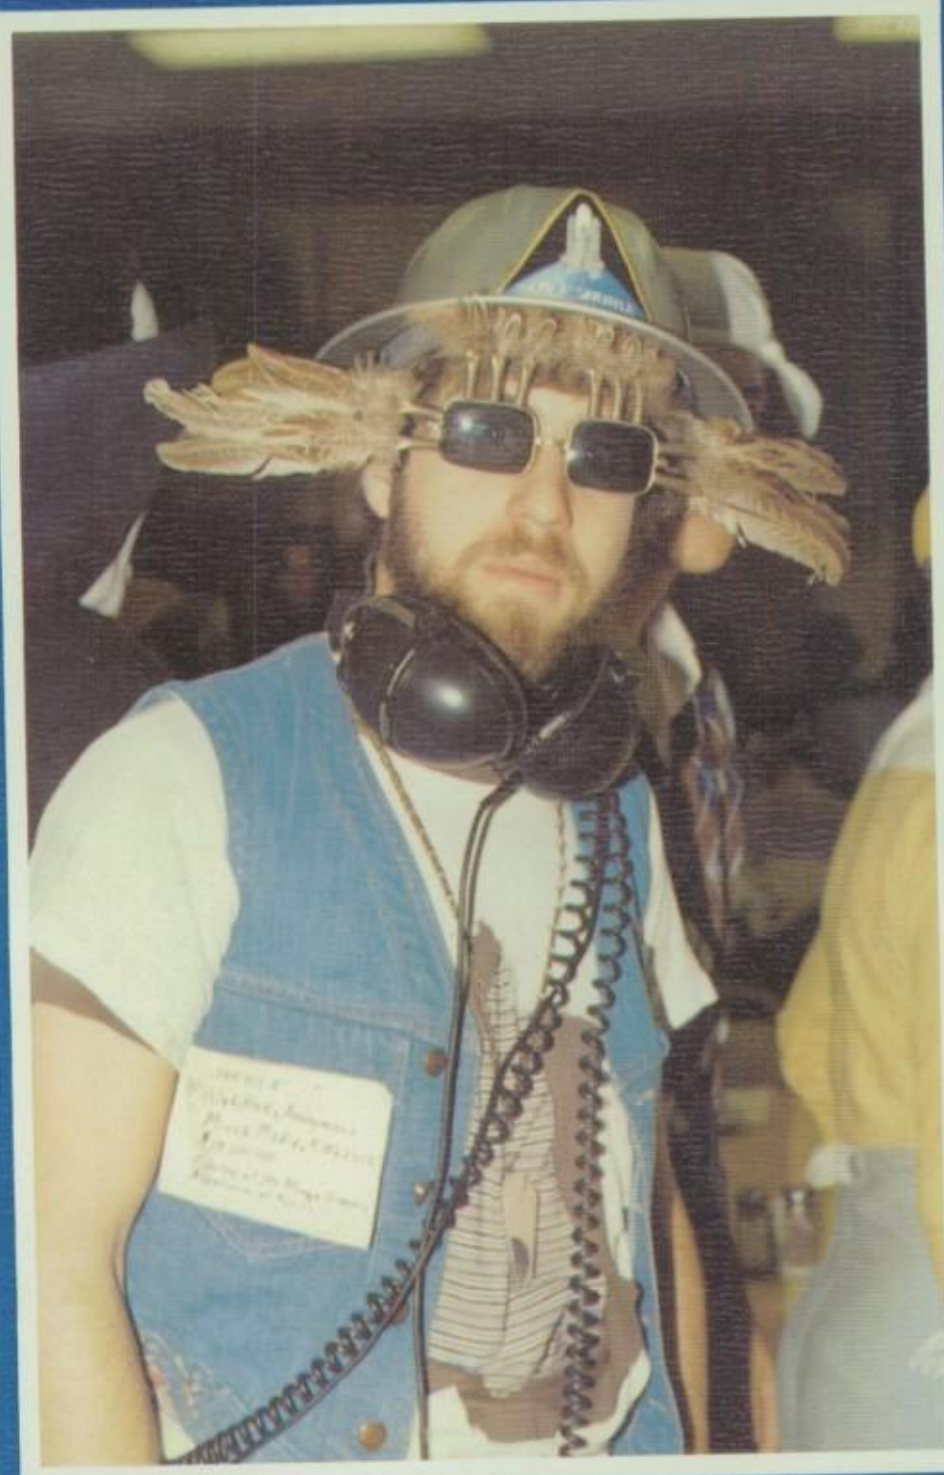
Runners wear Dolphin shorts to P.E.

Julie Nicoll and Laura Slippy wear braids to school.

...CREATIVITY

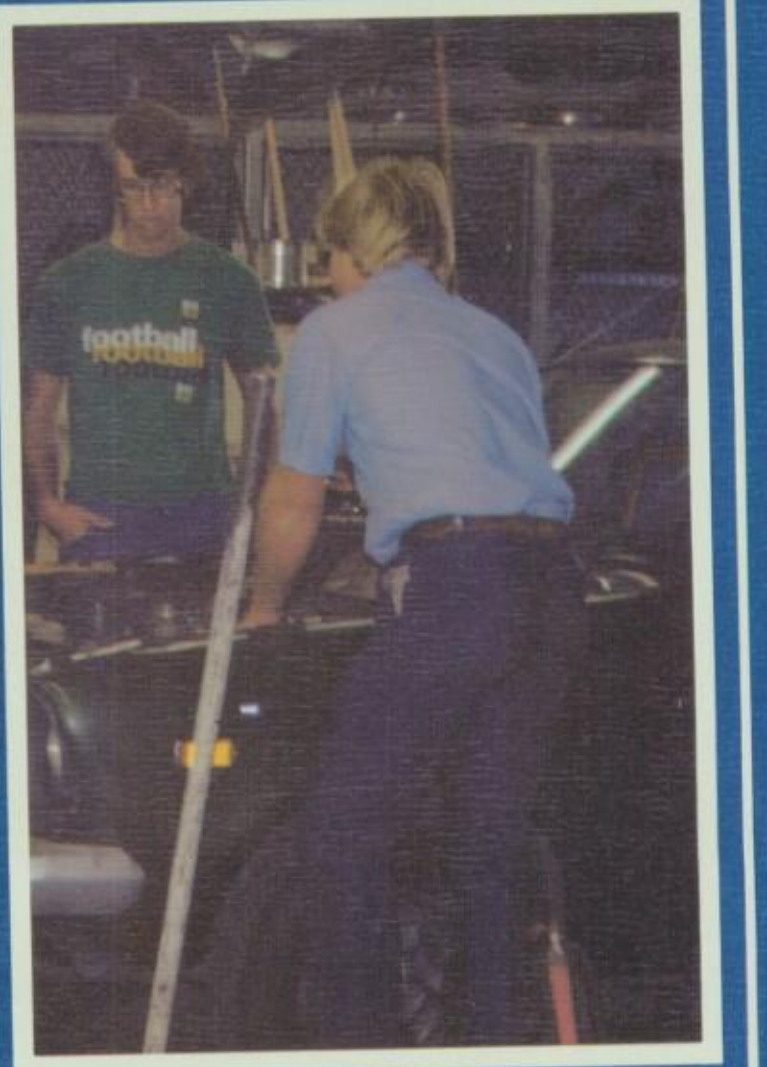
Seniors paint props for recognition day.

Lisa Feder and Jean Sinitzin work hard in stained glass.



Tom Strich, in the process of creating a new fad.

Ed Frazee and James Barbera concentrate on a class project.



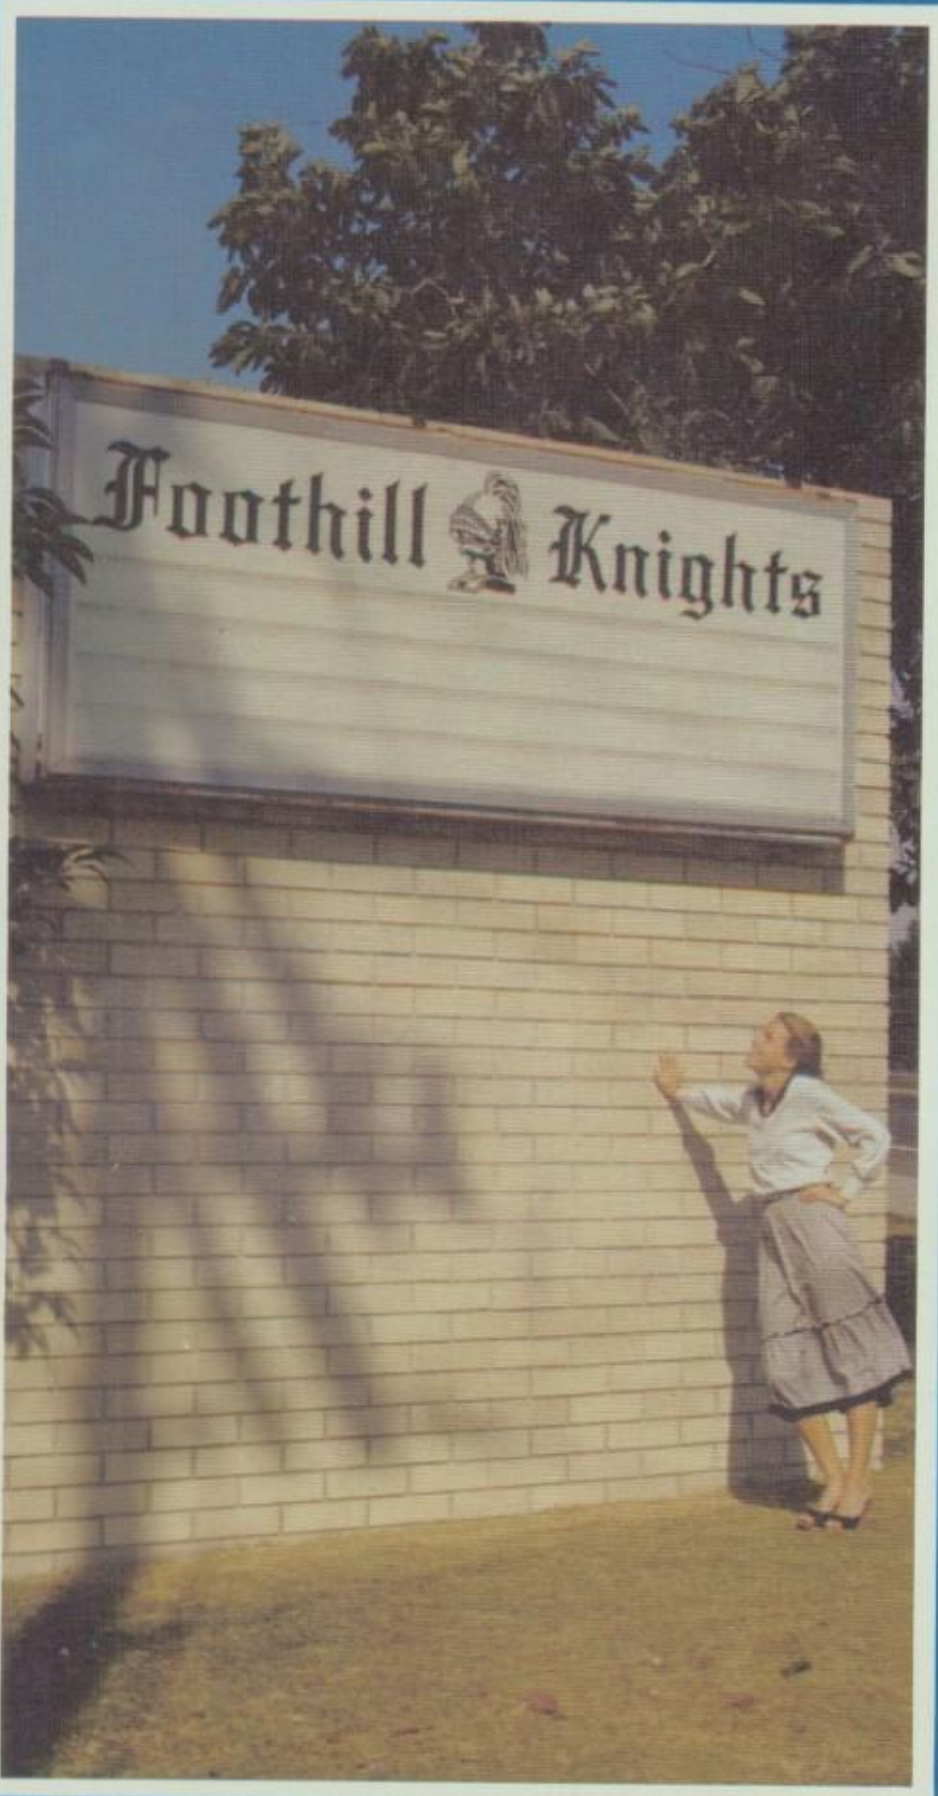
Kevin Padilla watches a friend work in auto shop.

To succeed
in this world,
One must strive to be
like nobody
but himself.
To think of ideas
never thought
of before –

no time to be
timid.
The path to
creativity,
is the road to
success.

by Leslie Wolcott

...MEMORIES

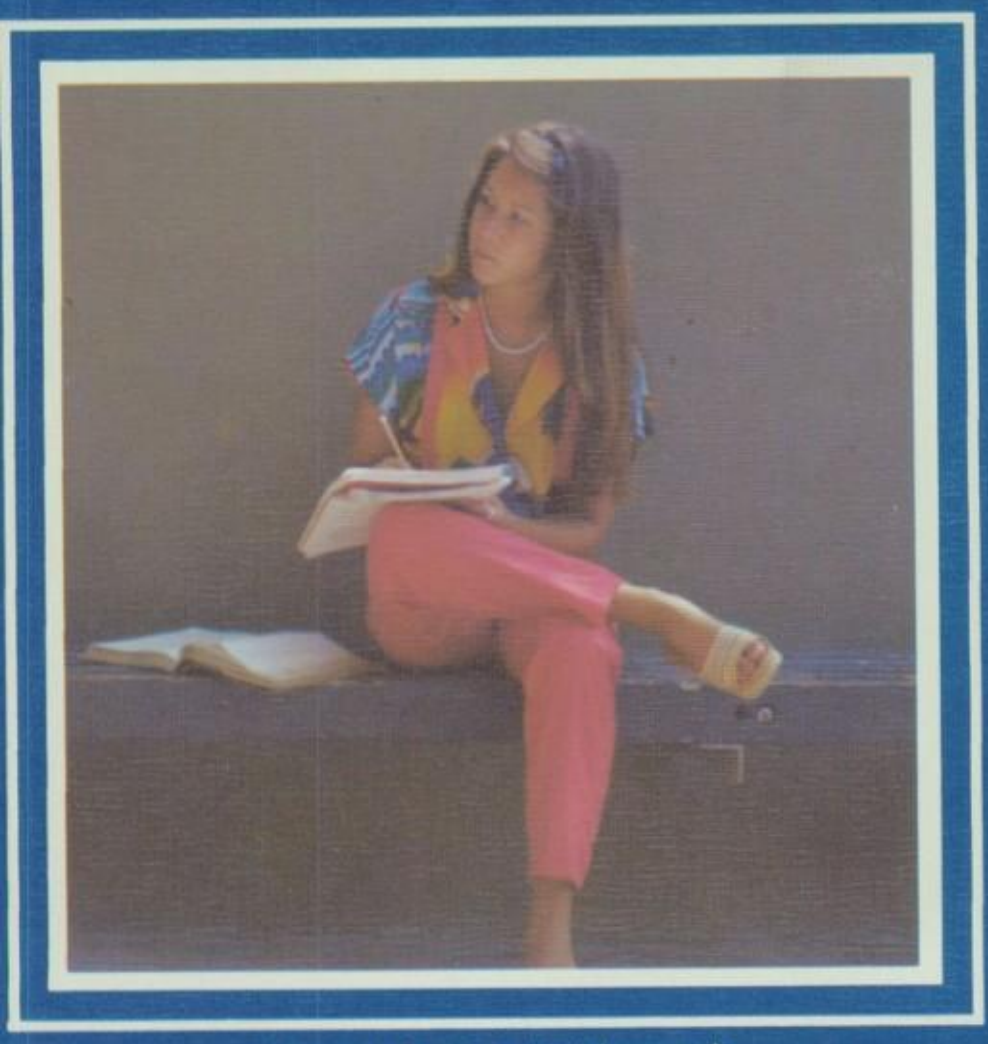


Debbie Lodgard looks back on Foothill.

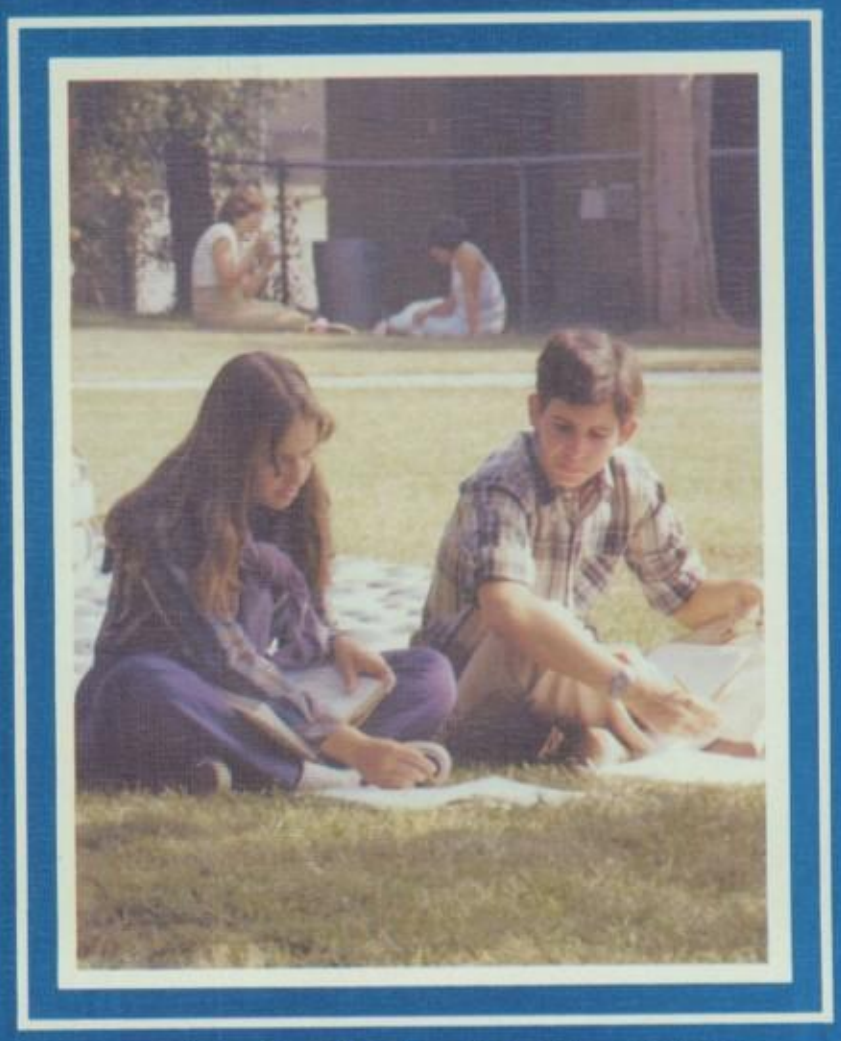
Kim Fujino holds a single rose.

A single rose is
like a single
memory.
Both have an
everlasting
effect on the
beholder.

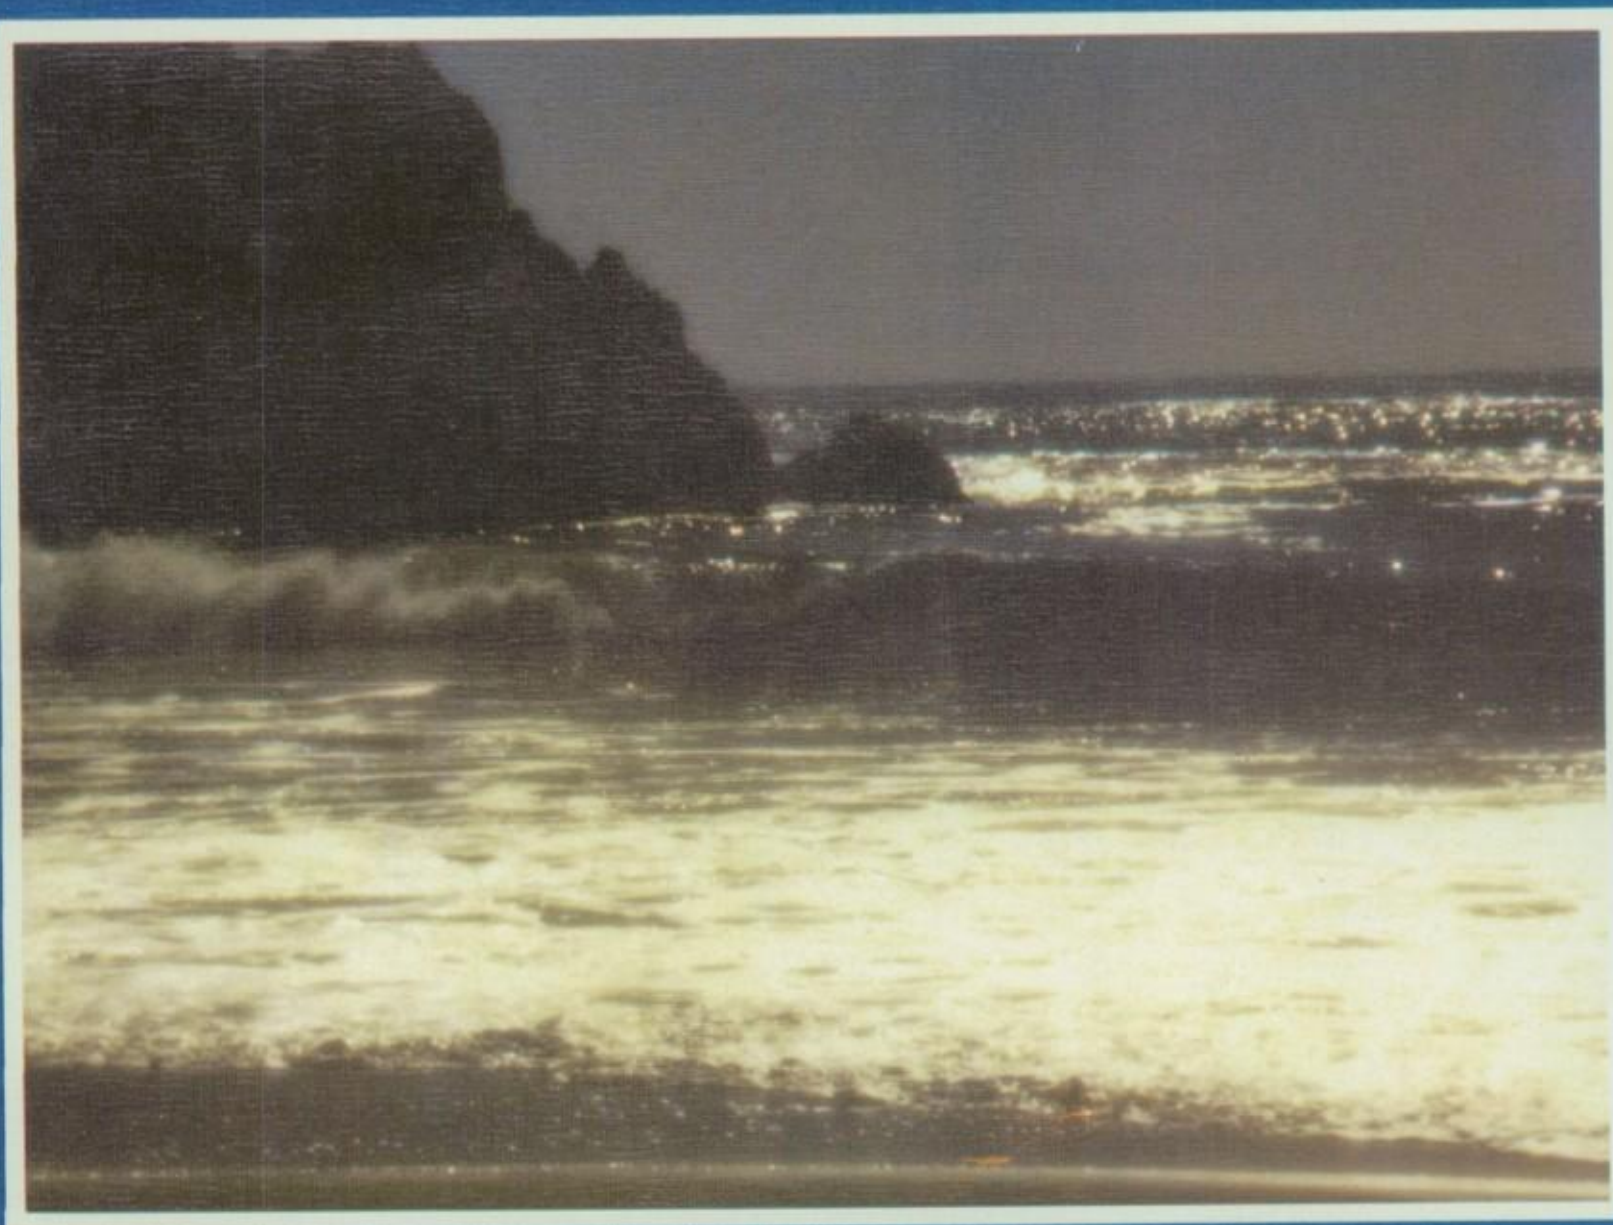
Anonymous



Kelly Inaba does last minute homework.



Debbie and David MacKay share valuable insights.



Many Foothill students have fond memories of the ocean.

1981 WAS A GOOD YEAR FOR...

SENIORS

The Class of '81 was the first class to have the new graduation requirements set upon them and they came through with flying colors! The senior class had to complete an additional year of English raising the English requirements up to four years. In order to graduate from Foothill High, a total of 230 credits had to be earned. Not only did the senior class endure these added requirements, they came through with great results.

The senior class also did not lack in spirit. They showed a tremendous amount of spirit as is traditional of the senior class. The Homecoming festivities turned out to be a great success with the senior class winning the Feast and Joust competition. On the opposite page and above, Charlie Herbert, Kelly Garret, John Ravensberg, and Leslie Wolcott display their recognition day costumes. The theme for the senior class was voted upon by the students. The Hollywood theme was chosen and the results were stunning. There was a terrific turnout of dressed up seniors.

The senior munch was another great success. The first one, which was Halloween munch, was held at the Anaheim Sheraton Hotel. There was a great turnout and some of the costumes were outrageous. The entertainment was a mime. The mime had a first-rate act. He picked out Denise LaFlamme as his victim for a skit. She did a great job and the munch turned out to be a lot of fun.

Overall the class of '81 was the best one yet. Their spirit and participation far surpassed that of the underclassmen.

The nosiest group around.

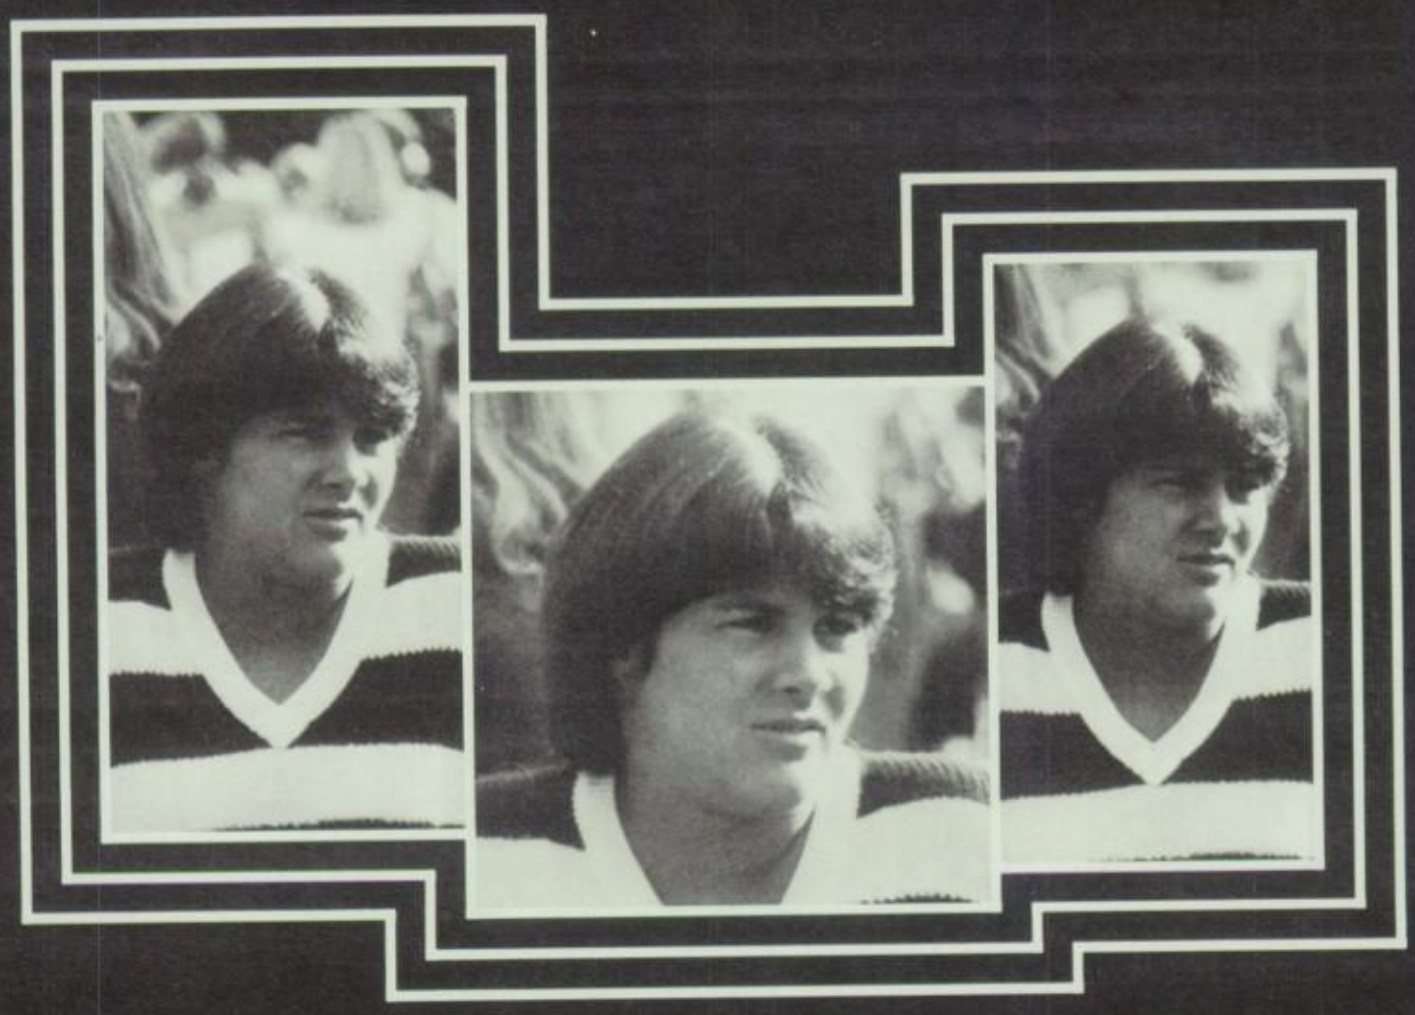
1981 WAS A GOOD YEAR FOR . . .



JUNIORS

The class of '82 shone above all others. The class led and organized by President Jeff Goh, made a tremendous effort to beat the seniors, and win the competition during the Feast and Joust. The quad designs were made in advance, and two weeks before the junior Recognition Day, spirited juniors got together to draw and paint the quad decorations. Juniors dressed to the theme of "Rock n' Roll Is Here To Stay" in a variety of ways such as punkers, as demonstrated by Bito Borovinsky in the center on the opposite page, flower children, and Beach Bums. However, even with this effort, the juniors were not successful in their ultimate goal.

However, the juniors sprang right back by sponsoring the first rec-night dance with Tustin High School. The dance was held at Racquetball World. The highlight of the year was also sponsored by the Class of '82; the Junior-Senior Prom. The prom was held at the South Coast Plaza Hotel, and was rocked by the sounds of "Rembrandt." In order to make the prom the success it was Jeff Goh and the junior council, over the summer, looked for appropriate places for the dance to be held. They finally chose the South Coast Plaza Hotel as the ideal spot. The rest of the junior class contributed also to the success of the prom by selling concessions during the Feast and Joust, as well as class T-shirts; and by juniors running in the third annual Jog-a-thon. Overall everyone enjoyed a successful junior year. Above Michele Lantz looks for something to do. On the opposite page to the right Stephnie Jones supports her class by running in the Jog-a-thon.

1981 WAS A GOOD YEAR FOR . . .

SOPHOMORES

1981 was a rewarding year for the sophomore class. The theme for the sophomore recognition day was "Summer Camp." A majority of the sophomore class dressed up with a lot of school spirit and enthusiasm. Although the wind had blown down their props, the sophomores still had a good time. On the day of the *Feast and Joust*, the sophomores added to their class funds by selling submarine sandwiches. The class president, Dave Nesbitt, said that their hardest competitions were in volleyball and inner-tube waterpolo. In the Jog-a-thon event, the sophomores had a large turnout, with the joggers raising a lot of money for their class. Another more unusual activity that the sophomores had, was the "New Wave" dance featuring the *Nu-Beams*. This new and different kind of dance was both profitable and successful for the sophomore class. This past year has been a profitable year for the sophomore class. Special thanks must go to the class president, Dave Nesbitt, for his efforts, that helped to make 1981 a successful one. The sophomore class loyalty was the reason for their success.

Above, Carolyn Christian flashes a smile as she relaxes in the quad. On the opposite page, native islanders, Terry Monarch and Erin Freeman, visit Foothill; Amy Mygatt is takin' it easy; and Eileen Butcher and Barbara Fishbeck's "Summer Camp" picture.

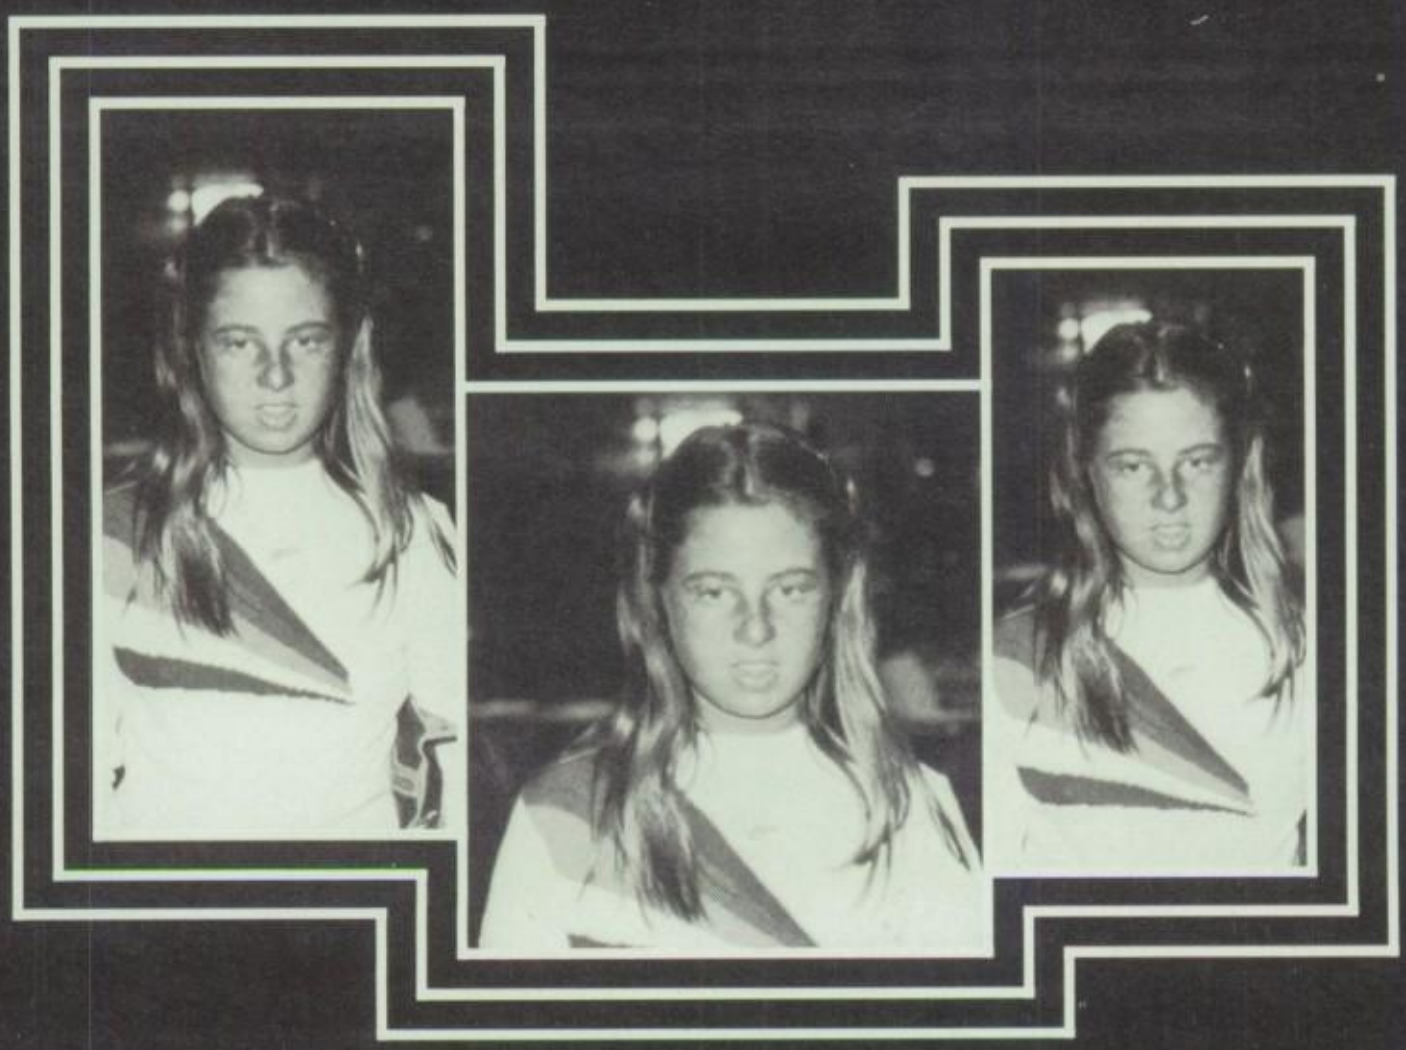
1981 WAS A GOOD YEAR FOR . . .



FRESHMEN

Keith Yamashita, President of the class of '84, worked hard to instill the true spirit of Foothill High School. The freshman class worked hard and is now ready to move up. The class had good fund raisers this past year. An example was the showing of *Heaven Can Wait*. It was a success and the class made a lot of money. 150 people attended the movie, which was presented in the gym. Everyone was invited to dress in pajamas and bring along their sleeping bags and teddy bears. The council also planned a dance to be sponsored by the freshman class, but due to the lack of success of a previous dance, it was cancelled. Keith was optimistic about his class and said that it was one of the best for fun and academics. For the future he wished all his class many new friendships and the best of luck. Luck and friendship have been and will continue to be very important things in our lives. On facing page, far left, Gigi Bankutu thinks about that test. Middle, Ann Brebner struggles through registration. Near Left, Stacy Stears enjoys (?) the cafeteria food. Above, Debra Copeland wonders, "Do I have to take English?"

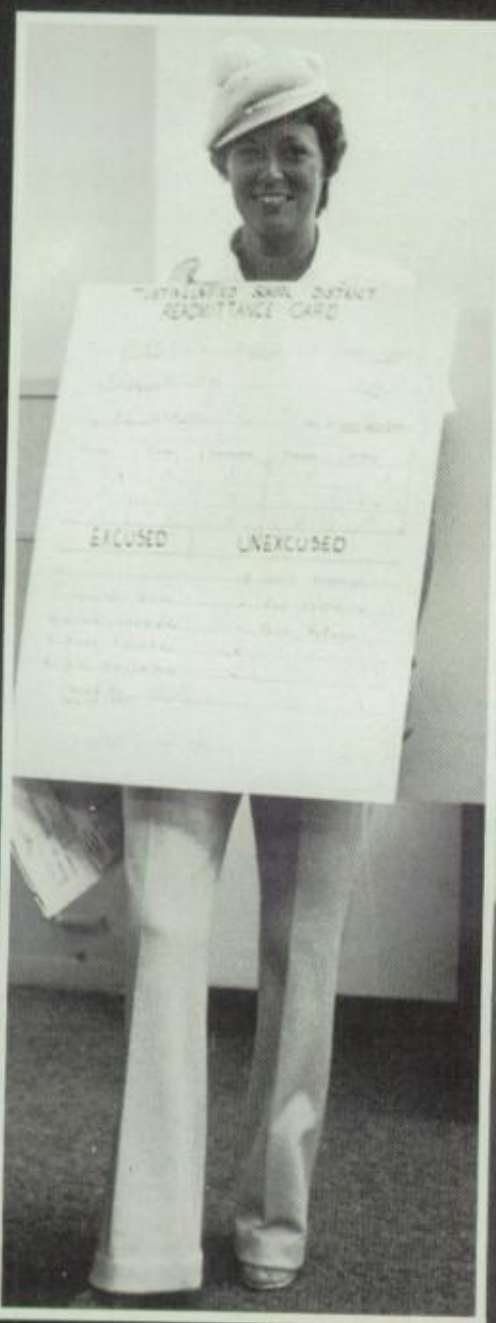
1981 WAS A GOOD YEAR FOR . . .



FACULTY AND ACADEMICS

Our faculty helped make 1981 a fantastic year. Our new principal was Stan Thomas. Joining Bob Patterson were two new assistant principals Dave Burcham and Bob La Rue.

Our administrators put together a new clean up system called "Stash Your Trash." Signs were placed around campus encouraging the students to contribute to making Foothill a cleaner school. The administrators and the counselors took turns in patrolling the campus. They picked up trash, and made themselves available to the students. The students who were involved in work detail made a big contribution when it came to cleaning the lunch tables, sweeping, raking, and picking up the trash. This system was proven to be effective.

Another new procedure was the tardy system. The positive outcome resulted from the enforcement of stricter rules. Students tried much harder to be on time to their classes, knowing that they would have to serve detention if late. If the problem did not cease after detention, then the parents were notified. The teachers' reactions were favorable. They were able to start classes on time without the interruption of the tardy students. Eventually the students realized the tardy policy was enforced for their benefit. Foothill has never been at a loss for great administrators, teachers, counselors, secretaries, cafeteria help, and custodians. At left and above, Lou Dean, Shirley Pecoraro, Robert Patterson, and Claude Wiseman join the staff in taking part in the teacher recognition day. These special people have always been willing to help, and the Foothill students of '80-'81 appreciated them.

THE MIGHTY

From the HIGH and MIGHTY . . .

Stan Thomas, Robert Patterson, Dave Burcham, and Bob La Rue have all agreed that Foothill High School is the greatest! We have been fortunate enough to have these four well qualified administrators, three of whom are new to Foothill. Thanks to the student body, each of the new administrators have felt very welcome. Dave Burcham said, "Foothill has revitalized my faith in education; good schools are possible." "We're fantastic when it comes to sports, and we also are extremely academically oriented," said Bob La Rue. Stan Thomas has been a very understanding principal, and has worked hard to make '80-'81 a great year for seniors. Robert Patterson said that Foothill has lost a lot of people who took part in making Foothill an outstanding school. Many have retired or moved on. But with the guidance of our administrators, we have succeeded in making Foothill as great a school as it has always been.

Mr. La Rue keeps up a good attitude toward Foothill students.

COUNSELOR

Words from the Wise . . .

Mrs. Sillesen is a very respected counselor at Foothill. Her goal has been to provide as much assistance as possible for students seeking scholarships, awards, and financial aid. She has helped out in every way possible. Now that we have three new administrators, some of the procedures have been undergoing changes of modifications. Mrs. Sillesen said, "Foothill High School is an outstanding school. It takes the combined efforts of the students, staff, parents, and the community to maintain this excellence." This is her ninth year at Foothill, and for the school's well being, hopefully she'll be here for a long time!

MATHEMATICS NEWS

Memorabilia from the Math Department . . .

Mrs. Chen, director of the Math Club, kept the Math Department active by involving students in various competitions. The three and most important math contests were at Pomona College, Orange Coast College, and Saddleback College. The Pomona and Orange Coast competitions were open to juniors and seniors. The Saddleback College competition was for freshmen and sophomores. The students who were selected for this competion had to be actively involved in the Math Club. Foothill was recognized for scoring high in many of the competitions. At Saddleback, we have left our mark by coming in first place last year. At Orange Coast, we have come in first place for the last three years. Mrs. Chen has attended each competition, giving her full support. She agreed that Foothill's Math Department has been very strong,and that we have had a very hard working staff. Mrs. Chen has been at Foothill for ten years, and the students in the years to come can look forward to profitting from her enthusiasm.

PHOTOGRAPHY

Black and White News from the Photography class . . .

Photography has been an extremely enjoyable class, and this past year Mr. Dunlap added an extra sparkle. He took the students on weekend field trips to Death Valley and other points of interest. Through these trips the students learned various styles of photography. In the regular classes, they learned about the camera parts and operations, what to look for in a picture, and how to develop a keen eye. Mr. Dunlap commented, "This is not an easy class, as it takes a lot of time and effort. Students are graded on projects such as photo assignments on and off campus, annual report covers and experimental photography."

Mr. Dunlap reveals his hidden talent.

SPANISH FUN

From the Lips of a Linguist in the Language Department . . .

In the Spanish classes, Miss Horvath helped students to prepare for the Advanced Placement Test. This enabled them to receive college credit for their high school work. The students learned first hand about Christmas customs in Latin countries. Instead of hanging up stockings, they hung sandals filled with straw. Then along came "Papa Noel," who gave the straw to the reindeer and left some "goodies" in each sandal. The classes studied labels and cartons from products manufactured in Mexico, listened to commercials in Spanish from local radio stations, and produced their own commercials in Spanish. Spanish II students saw the beginning of the First Annual Balero competition. This was a co-ed venture involving several types of "baleros." Thanks to Miss Horvath, the Spanish classes were a "balero of fun."

SCIENCE NEWS

Statistics in Science . . .

Mr. Nichols has kept the science department involved in activities. He stated that in each science fair, Foothill has either won everything or at least one award in each level. The students entered their projects in local, state, and national competitions. The winners received awards and scholarships. Over the year, students geared up for the Science Competition, fairs, commercial competition, and the Advanced Placement Tests. The newest gossip going around was that there may be a possibility of an additional ten unit science requirement in the future. Well, with Mr. Nichol's love of science, the students will catch his interest. After being at Foothill for fifteen years, Mr. Nichols believes that this was a very successful year.

FUN IN ECONOMICS

As the Economic teachers say . . .
"Keep the Bucks Rollin' in!"

As Mrs. Reardon said, "one of the most exciting classes at Foothill is Economics." In the economic classes, the students took a direct approach to simulation games that illustrated basic economic concepts and provided experience in making economic decisions. The student soon learned to use his class money referred to as "Reardon Bucks." It was money made or earned through an "A" on a test, homework, or extra activities. This money could also be subtracted from the student's account if he didn't study. Profit was the motive, and the penalty for not studying was a deficit in one's bank account. Playing the baseball game provided the opportunity for the student to see the workings of goods and services in relationship to prices in the market place. This method of teaching, which promoted economic understanding, was also offered by Miss Terry and Mrs. Springer. As Mrs. Reardon added, "Don't be absent, it would be an opportunity lost!"

LIBRARY UPDATE

A Look at the Library . . .

The best thing that ever hit the Foothill library was the audio visual material organized by Mrs. Judy Weightman. She began her work on this project the day she started work at Foothill, in 1977. The A.S.B. supplied her with all the necessary "hardware" material. The "hardware" included record players, cameras, projectors, and other AV equipment. During Mrs. Weightman's first year in '77-'78, eight thousand, eight hundred dollars was put into "software" material for the English classes. The "software" material included records, film, and tapes. It was a complete success. Therefore, in the following years she decided to purchase materials for other departments. The recipients were the Health and Science departments. Mrs. Weightman has truly believed ". . . we can never have enough materials." As she continued her hard work, the library has continued to grow, and Foothill students have become more aware of her efforts with the outstanding results.

ENGLISH QUOTES

"Words from the Wise-man"

This past year a new course, *English for Survival,* was taught by Dr. Claude Wiseman. This class was designed to provide practical skills needed by all students entering the "outside world." The students learned to fill out job applications, and also how to present themselves at interviews. Oral skills were practiced to sharpen the student's ability to sell himself to an employer. The students learned how to make out checks, balance their bank books, and their monthly statements. Wiseman taught the students how to unravel the mysteries of income tax forms, a necessary skill in this world of red-tape and taxes. As one of the students commented, "It has been a most valuable class!"

THE INSIDE STORY

Junk from the Janitor . . .

"This past year has brought on new changes," said Mr. Dick Slaven, head custodian. Mr. Thomas felt very strongly that Foothill should be well kept by the students as well as the custodians. Counselors were put to work patrolling the campus at snack and both lunches. Work detail students helped out with the washing of the lunch tables daily. This was the first year we have had them cleaned everyday. Hopefully, the whole student body has noticed this wonderful change. Because of the concern and involvement of the principal and students, there has been a great decrease in vandalism this year. The help we have had from the student body in keeping our school clean, has relieved Mr. Slaven from excessive time each day in clean up work. Not only has this involvement helped the custodians, but it has made Foothill a more beautiful school.

CLUBS GET INVOLVED

While some clubs remained about the same, others grew tremendously in membership. The California Scholarship Federation club grew from approximately twenty-five students to over two-hundred, and the Strategist club doubled from five to ten students. The Math and Forensic clubs showed their excellence by placing first in many competitions throughout the year. The Art club worked on another mural for the 100 building, and the Thespians were very busy working on stage productions. As a whole, the academic clubs grew in number, and hopefully the interest in becoming involved will continue and grow in 1982.

The 1980-81 yearbook class consisted of dedicated students. These were the select few that had the incentive to stay the full year and face the pressures that come with being on the staff. There is a stereotype view of yearbook class as a fun way to earn an easy grade. We found out quickly it was not. To use the word "fun" to describe the activities in the class would be very misleading. From experience, one soon learns the proper word would be "challenging." There are deadlines to be met. The process consists of making rough drafts, writing copy, ordering and taking pictures, to name a few. Once completed the finishing process begins. Every layout is transferred to quad-pacs. The copy is typed, the pictures cropped. Directions must be put on accurately because the outcome of the publication depends on the expert work done by the staff. The responsibility of the yearbook rests wholly on the shoulders of the students who put a part of themselves into every page of the book. The rewards are intangible; they consist of producing a book that is so popular it sells out every year, a book that is professional in appearance and popular with the student body.

FEATURING THE KNIGHT LIFE

What does the Knight Life do? "Write constantly!" The Journalism class meets every day during 5th period to produce the school newspaper. Every three weeks, they publish articles about school problems, activities, current events, editorials, letters, opinions, comments, sports, and stories on controversial issues such as gun control and teen pregnancy. The students work as reporters, writers, and editors. The editors spend time after school constantly to organize the paper and meet the deadlines. They also meet with other students to find out what they want to see in the paper. Thanks to the hard work of the Knight Life staff, Foothill is "in the news."

Out of 45 schools, the 1980 Orange County Academic Decathlon team was proud to finish in second place. The full day of testing, which took place at Savanna High School on November 15, 1980, was the culmination to months of hard work. There were meetings every day after school for at least one hour, in addition to several hours of study on weekends. There was a large field of knowledge that the students were required to master. The endless hours of study were evident in the number of awards that the students won.

IT'S A SMALL WORLD

"There are more opportunities in America," said Christine Valenghi. But one of the things she liked most was that people are much more open than in France. She had two sisters here with the Blossom family, compared to none at home. She said "I can really talk to them." She loves horseback riding and the beach. She had English grammar in France, but never really knew how to speak it fluently. Now she sounds almost like a native Californian.

I like the beaches at home better," said Cigdem Arkuran, and AFS student from Turkey. During her stay with the Stone family, she picked up a new hobby, tennis. Besides tennis, she enjoys swimming, drawing, reading, and learning new things. Language was a problem at first, but later the problem diminished. Cigdem really liked her host family, and enjoyed the new experience that life in America presented.

Uta Mithoff, from W. Germany joined the American Field Service to travel. Besides traveling, Uta enjoys photography, going out with friends, and the beach. She was also on the swim team. Although adjusting to a new family was difficult, the rest was easy because of the similarities between the U.S. and W. Germany. Uta stayed with the Freeman family, and said "I am glad that I have a second family, with more people to love."

Patty Rojas, of Chile, has always wanted to travel. She was hosted by the Davis family, and although she loves them very much, she is closer to her real family. She likes photography and watching sports. One thing she found interesting and sometimes confusing about America was the taxes on items at the store. In Chile, there are also taxes on goods, but the taxes are already applied before they reach the store.

1981 WAS A GOOD YEAR FOR . . .

ACTIVITIES

Activities play an important role at Foothill, and 1981 was no exception. The year's activities were special for all, and will be remembered by those who participated. Foothill's Spirit Week featured the different classes dressed up according to a chosen theme. The Freshmen were cowboys and cowgirls. They set up a replica of the "Old West" Main Street, and with the help of the freshman coordinator Roy Ellis, it proved to be a great day for all. The sophomores decided to take the theme of "Summer Camp." They dressed up in pajamas, short pants, and bathing suits. The sophomores displayed their theme well. The junior theme was "Rock and Roll is Here to Stay." They decorated the quad with pictures and names of many great Rock and Roll stars. They played music from the 50's, 60's, and 70's. The seniors took on "Hollywood" as their theme, and decorated the quad like an old movie studio. Such faces as Laurel and Hardy and the Keystone Cops were seen. The Spirit Week enthusiasm was shared by all. The food and games at the annual Feast and Joust brought all the classes together to celebrate the ending of Spirit Week. Shown on opposite page, Michelle Pinney is in her favorite class, physical education, of course ... then there's Theresa Rainey clowning around again ... and Debbie Lloyd munching at lunch. Above, Lisa Lindsay is "geared up" for Freshman Recognition day.

The second senior munch for 1981 was the most interesting munch ever. The munch was held at Knotts Berry Farm. At 7:00 A.M. almost all of the seniors had arrived for their food, and entertainment from hypnotist Lew March, and the help of 13 seniors. The entertainment was highly successful. Unbelievabel and memorable moments occurred when Bob Iversen impersonated "Steve Martin," Margie Carter impersonated "Raquel Welch"; and Karen Gilsleider impersonated "Farrah Fawcett." The audience was skeptical until 189 pound Lew March elevated Connee Vallee on two chairs and stood on her. The seniors enjoyed the munch and wished there were more of them to enjoy.

ASSOCIATED STUDENT BODY TAKES ACTION

Susan Murphy and Anthea Ip get things done.

Mr. Marzilli, Foothill's dedicated Activities Advisor.

Cory Freebairn, Scott Robbins and Roy Steers bring in new ideas.

Cindy Webster is the hard working A.S.B. president.

The A.S.B. Cabinet succeeded in making 1980-81 very successful. With many new creative ideas and events, the A.S.B. effectively presented the student body with a fun-filled year.

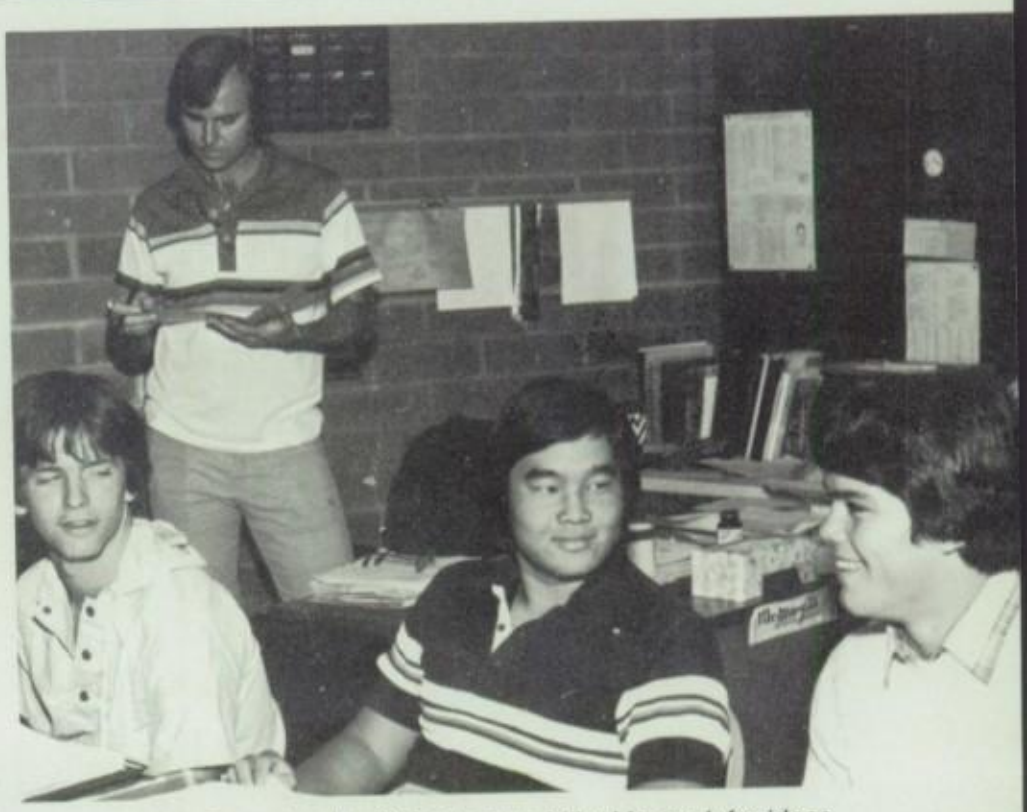
The new ideas included such exciting activities as the *Multi-Media Assemblies* which were based on self-improvement, the *Spirited Class Competition, Assemblies* with the new "wish fairy," Jim Hollinger, *Pajama Movie Night* and the *Almost Anything Goes Competition* against Tustin High School. They worked hard to maintain many of the traditional activities such as the *Jog-A-Thon, Donkey Basketball* and most importantly, *Spirit Week*. For the first time during *Spirit Week,* the A.S.B. members set up a faculty dress up day along with each class dress up day.

The Foothill A.S.B. developed friendly relations with the A.S.B. Cabinet from Tustin High School, our traditional rivals. Our cabinet invited Tustin's members as well as their administration to our school for coffee and donuts and for a Christmas lunch.

Our A.S.B. developed good relations with the faculty and administration throughout the year. They created a Coffee Club once a month before school and they sang to each teacher on his or her birthday.

Mr. Al Marzilli, the new Activities Advisor, did a good job guiding the cabinet members toward a successful year. The A.S.B. president, Cindy Webster, was very dedicated and involved, working with her cabinet to achieve many goals. There accomplishments led to a very memorable year for Foothill High School.

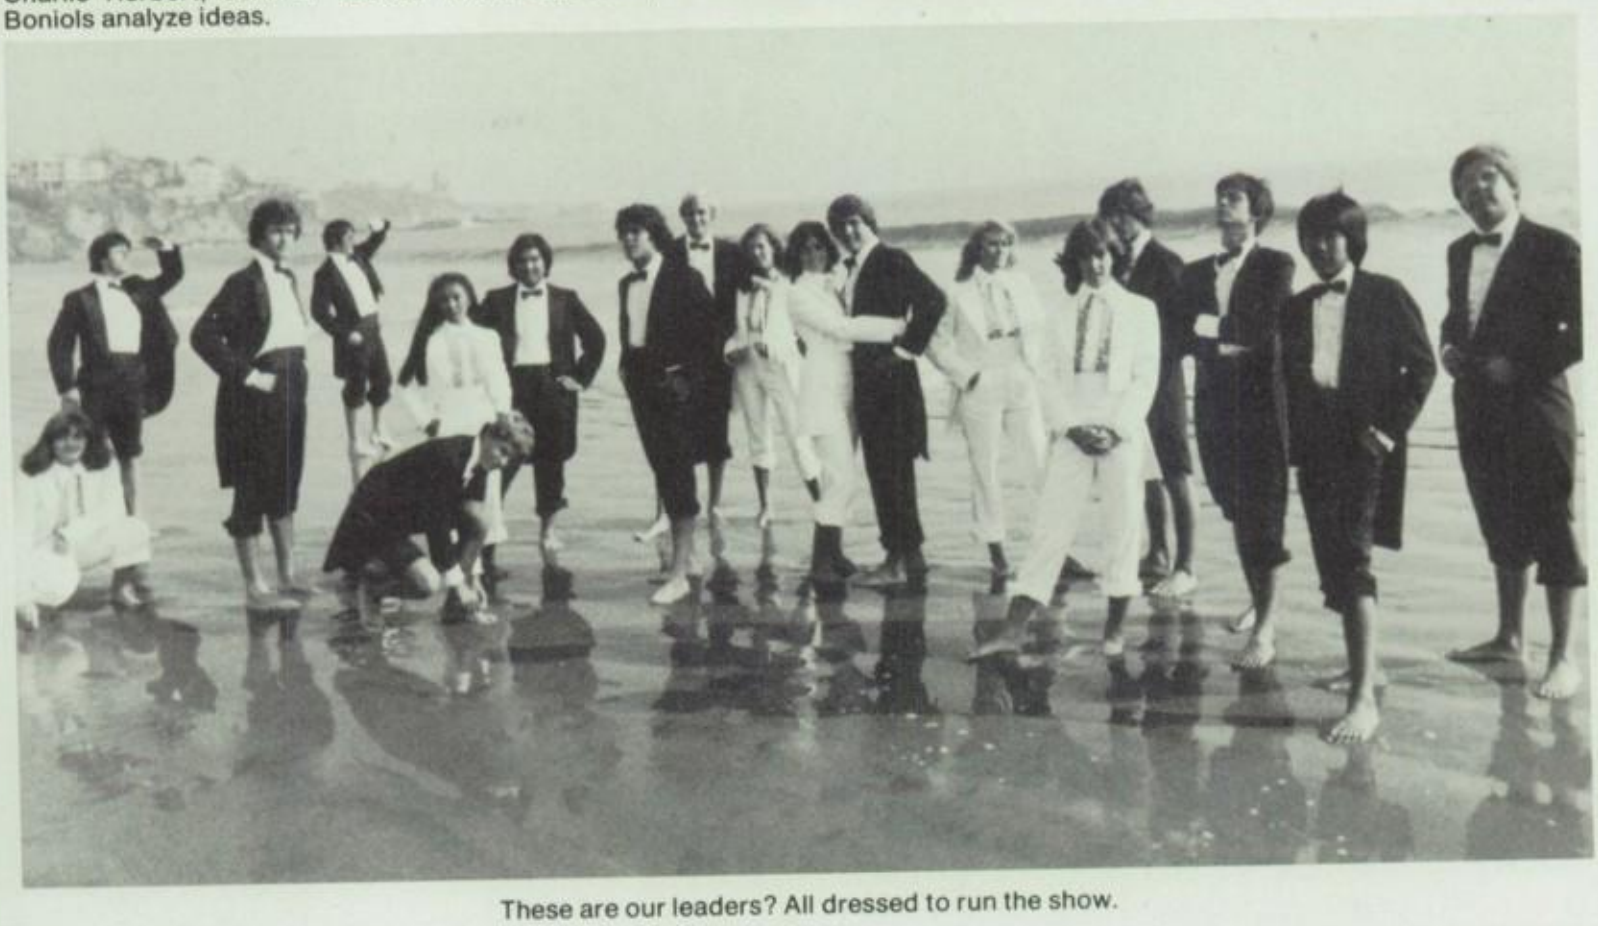
David Schmidt and Keith Yamashita get involved.



Doug Davert and Jeff Goh look to Mike Monarch for ideas.

Charlie Herbert, Jennifer Cooke, Karen Gilsleider, Ken Blakslee and Michelle Boniols analyze ideas.

Mark Forney and David Nesbitt work together.



These are our leaders? All dressed to run the show.

Marching Band grew with over 80 members and the addition of a bagpipe player to the group. They looked impressive with Mason Gregg out front as Drum Major, and Seth McHenry and Shari Bitcon, drummer and bagpipe player, respectively. Mr. Waibel kept them on their toes by holding "humiliation drills" during practice. Their practice certainly paid off. The band placed second at the Tustin Tillers Day Parade, beating Tustin, and took a first at Westminster. They were also asked to do a half-time show for Santa Ana College for $400.00. Instead of doing one half-time show for all the football games, the band put on six different ones for ten games. That's a lot of work! Congratulations, band, for a great year.

One of 1981's most interesting clubs was the "Diners Society." Their picture is not in the yearbook because nobody wanted to take a picture of them. Each member displayed loneliness in their character. No matter where the members were, they were always out of place, and without a girl. The importance of the club was to give guys like President Dan Stanley something to do on the night of a dance. The club got its popularity from producing songs which kept the lonely members company. Their most famous song was, "Twas the night before Formal, . . . and nothing to do."

Although all the clubs at Foothill were very active, one of the most active was the Ski Club. There were 81 members and from this number a bus load went on the Utah ski trip at Christmas. This trip was arranged by the Explorers of the Boy Scouts. The students stayed at the Hotel Utah in Salt Lake City and skied the surrounding areas, such as Alta. A few went on a similar trip to Jackson Hole. Weekend races were also sponsored locally and one or two dozen students participated each weekend. The members got together at club meetings and were able to enjoy ski films and "ski talk." Mrs. Reardon, the advisor for the club, stated, "The club helps establish friendships between adults and teens and the adults support the teens as they gain experience in leadership."

This year's Student Senate and Class Councils strove to make this one of the best years in Foothill's history. The Student Senate and Class Councils planned many social and academic events. The activities this year included the jog-a-thon, a donkey basketball game, spirit week, and the annual Feast and Joust. This year's Student Senate was led by Mike Monarch, Doug Herbert, Meghan Kline, and Sean O'Toole. The Student Senate was run differently this year. The school was divided into 13 districts. Instead of a Senator for each class, there was a Senator for each district. This year's system was the most organized that the school has ever had. The Class Councils kept the school politics running smoothly and efficiently with the help of the Student Senate. Both the Class Councils and the Student Senate planned many activities this year that guaranteed it to be one of the best in Foothill's history.

The return of experienced veterans coupled with the addition of new, enthusiastic girls gave this year's Pep Squad a truly unique personality all of its own. Six senior classmen, selected for the Stunt Squad, created new, more daring stunts than those performed in previous years. This squad was assisted by the Girls Varsity Cheerleaders.

The Pep Squad was a great support for all sports this year, though they centered their attention on football. At various football games, they instilled a patriotism among the spectators that became a feeling of unity. Using several techniques, the squad kept the attention of their audience. On different occasions, they rode around the track in vintage cars, carried massive signs proclaiming our unbeatable spirit and cheered themselves hoarse for the enjoyment of all.

ROCK 'N' ROLL LIVES ON

The Class of '82 was convinced that "Rock and Roll is Here to Stay," and they proved it during Homecoming Week. Junior Recognition Day, the best yet for this class, was set for Monday, opening the week of festivities. Fortunately, the Juniors escaped strong winds that hindered the Freshmen and Sophomores. Quad decorators set up cardboard fronts, depicting different phases of the 30 years specified for the theme.

A majority of the costumes represented groups or vocalists of the 1960's the biggest being the Beatles, of course. To complete the scene, some students dressed in the style of the 60's with greased hair, leather jackets, long skirts, bobbie socks and a class ring on a chain. It really set the mood.

Cowboys and cowgirls gathered on Main Street for Freshman Recognition Day. "Wanted" posters were hung from every saloon and hotel in the little town. Corrals were filled with horses and riders showing folks how to ride and rope. The saloon featured a friendly poker game and was hopping with bar fights. Gunslingers and ranch hands gathered at the hotel to hear the sheriff tell how to clean up Main Street. Then a terrible storm took its toll on the little town. High winds took down the saloon and corrals. But with a gallant effort, townspeople gathered and rebuilt Main Street to make it one of the best in Foothill's history.

Sophomore Recognition Day featured a summer camp scene. Camp counselors and all the camp kids gathered around the campfire with their teddy bears and blankets to hear stories about the bears and snakes in the woods. There were camps from Oregon Territory to the beaches of Hawaii with camp enrollees bringing inner tubes and backpacks. All in all, it was a memorable occasion.

SENIORS ARE THE STARS

The senior class was not to be outdone this year. A special group of dedicated seniors pooled their talents and put together an outstanding quad. If visitors had wandered onto campus that day, they would have wondered if they had accidentally ended up in Hollywood. The quad was complete with Grauman's Chinese Theater, the condemned Brown Derby and King Kong and the Empire State Building. There were Santa Ana winds to deal with but, never-the-less, the seniors proved themselves superior. A vast majority of the Class of '81 participated on their Recognition Day. Movie stars and comic strip characters were everywhere . . . even a group of super heroes. The graduating Class of 1981 proved once again that Seniors are the Stars.

The traditional FAKHFAJ didn't quite stick to tradition this year. As a matter of fact it almost didn't exist. The new administration announced at the beginning of the year that the feast and joust was to be eliminated. The students weren't about to give up without a fight. The A.S.B. cabinet did what they could to reinstate the tradition, though there were many restrictions limiting the festivities. Masters and their slaves were only allowed to dress the part after school in order to reduce distractions during class. The tug of war, which has been one of the most popular events in the past, was eliminated because of the danger to the participants. There was the fear that the rope might snap, as it did the year before. Attendance was lower than in the past years, due to mixed emotions of the student body towards the steps taken by the administration. The seniors dominated the festivities by winning the chariot race, intertube water polo, and the spirit yell. They also conquered volleyball until they faced stiff competition from the faculty team. All of the activities coupled with good food and music proved to create a memorable day.

Cindy Hopkins was selected by the senior class to reign as 1980-81 Homecoming Queen. She was crowned at the Homecoming football game in front of a cheering crowd. Her father was on hand to escort his lovely daughter onto the field, where the ceremony took place. After being crowned by last year's queen, Laura Astor, Cindy was escorted to a waiting Clinet, which then drove her around the track. Photographers took dozens of pictures, while friends and family gathered around to offer congratulations.

The Homecoming dance was held at Lion Country Safari on November 7, 1980. The theme was, appropriately, "A Knight in the Jungle." As is tradition, the king and queen danced together and the court posed for pictures. Partygoers danced from 8 p.m. to 12 a.m. on a crowded outside dance floor. Though the air was cold, everyone was warm in spirit.

What a game! Our Homecoming game this year was one of the more memorable games in Foothill's history, for those who attended. Have you ever heard of fireworks in October? Absolutely. Foothill High School will go to any end to produce an impressive evening. The night was complete with a knight on a regal black horse. Now on to the game. Our team did an excellent job by completely shutting out Orange High School with a score of 47-0.

The defense had four key interceptions by Jim Hollinger, John Marshal, James Laird and Rob Crandall. An important factor of the non-productive Orange offense was the three sacks and four tackles by Todd Sabine. He was named Defensive Player of the game. The defense had several prominent players. Jim Hollinger, three tackles, three assists; James Laird, five tackles, two assists; Todd Sabine, four tackles, three sacs; Scott McPherson, three tackles, two assists. Our great offense harvested 255 yards on running plays and 30 yards on completed passes, for an impressive total of 285 yards! There were many outstanding offensive players, each totaling about 50 yards. In addition, Jim Hollinger, Mark Templeton, and Tom Fishbeck scored two touchdowns apiece. This year's Homecoming Game was a very defensive one, with the offense scoring at will. Yes indeed, what a game!

Our nobility and pride shine through.

Foothill's Varsity and J.V. team knows they're number one!

Get that ball, yeh, get that ball!

Nothing is impossible at Foothill, including fireworks in October.

Foothill's Stage Band was a group of dedicated musicians who played all kinds of music . . . but jazz was their favorite. They were considered a stage band because they were ready to perform any time, anywhere, at a moment's notice. They were featured in Foothill's fall, winter and spring concerts given by the bands and chorus. They also entertained between acts at the Broadway Review. Juniors and seniors seemed to be predominant in the group.

Stage Band consisted of trumpeters: Todd McHenry, Brian Tudor, David Potter and Pat Messenger. On sax were Tracy Kirkendall, Greg Prete and Scott Watson. The trombonists were Todd Wright, Derek Johnson, Eric Simon and Dean Woehrman. Guitar section included Jim Marcotte, Miguel Mindiola and Eric Evans. Two fine drummers, Brian Marsh and Maryann Morioka, assisted the group. The pianists were Jee Soo Hong and Scott Doyle.

A KNIGHT IN THE MAGIC KINGDOM

The members of the Christmas Formal Court are traditionally chosen by the administration for their individual contributions to the school as a whole and to our community. This year's king and queen were Mason Gregg and Jennifer Jackson. In his four years at Foothill, Mason Gregg was in the band as assistant drum major and drum major. He excelled in academics and was known around school as a friendly person. Jennifer was very busy in her years at Foothill. She participated in Student Senate and Class Council. She was yell leader in her junior year and a cheerleader her senior year.

Drill Team had another winning season with the Tall Flags and Dance Team both earning many first and second places. Drill Team placed second in the Lester Oaks parade while the Tall Flags did very well with a 39 out of 40 possible points. Before the season started, the team had a great four days at USA camp, meeting people and winning awards for their marching, routines, and spirit. Football games, also, took up much of the team's time. The dancers performed to the music, "Enough is enough" and "Championship," among other songs, while the Tall Flags twirled to "One." The Team ended the season by performing in a basketball half-time show in January. Between practicing and performing, Drill Teamers stuffed themselves at potlucks and cheered at away games afterwards. Thanks to Miss Yetter and Mrs. Fay, it was an all-around great experience for them.

Directed by Shirley Pecoraro, the drama classes were very active. There were five classes, and all students in the program had the opportunity to try out for the performances. Formerly, only the sixth period advanced class was able to participate in try-outs. The new method provided a greater variety when casting. The performances presented include *The Physicist*, *Teahouse*, and *The Wizard of Oz*.

The Physicist, a humorous drama, was presented in the lecture hall. The plot was centered on a homicide mystery with characters ranging from an impatient detective to patients suffering from misplaced identities.

Teahouse explored Oriental customs, and through different characters, allowed the audience to see these customs from an Oriental perspective as well as from a Western perspective.

Mrs. Pecoraro chose the shows by setting two qualifications: 1) they must be interesting to watch, and 2) they must be interesting to perform. The characters in these shows were very different from the characters in *The Wizard of Oz*. Mrs. Pecoraro felt that the "storybook" characters in many shows have little depth. "I want the students to be able to get a challenge from the types of dramas we are doing," she added. "They can touch the audience's senses."

In a different light, *The Wizard of Oz* was quite an experience for those involved. Requests from the local elementary schools for a performance were made early in the year, and plans for *The Wizard of Oz* started soon after. The cast did several showings at these schools in addition to two performances at Foothill.

The final exciting event was the Mexican dinner sponsored by the Drama Guild. The diners were entertained by a series of single acts and scenes from various plays.

For the drama classes, the year was a busy one. The excitement and enthusiasm that was stirred up through these classes set a standard of true spirit for many to follow. All can share this excitement as the "thespians perform."

Their Spring Concert at the end of the year also drew a large crowd, and turned out to be an excellent show of talent. The Madrigals were the busiest with nine performances outside of school, highlighted by the 17th Annual Christmas Dinner Concert for the Tustin Rotary Club. They ended the year with a performance at the baccalaureate this year. During the entire year, FHS was well represented in Tustin by Mr. Doyle's choral groups.

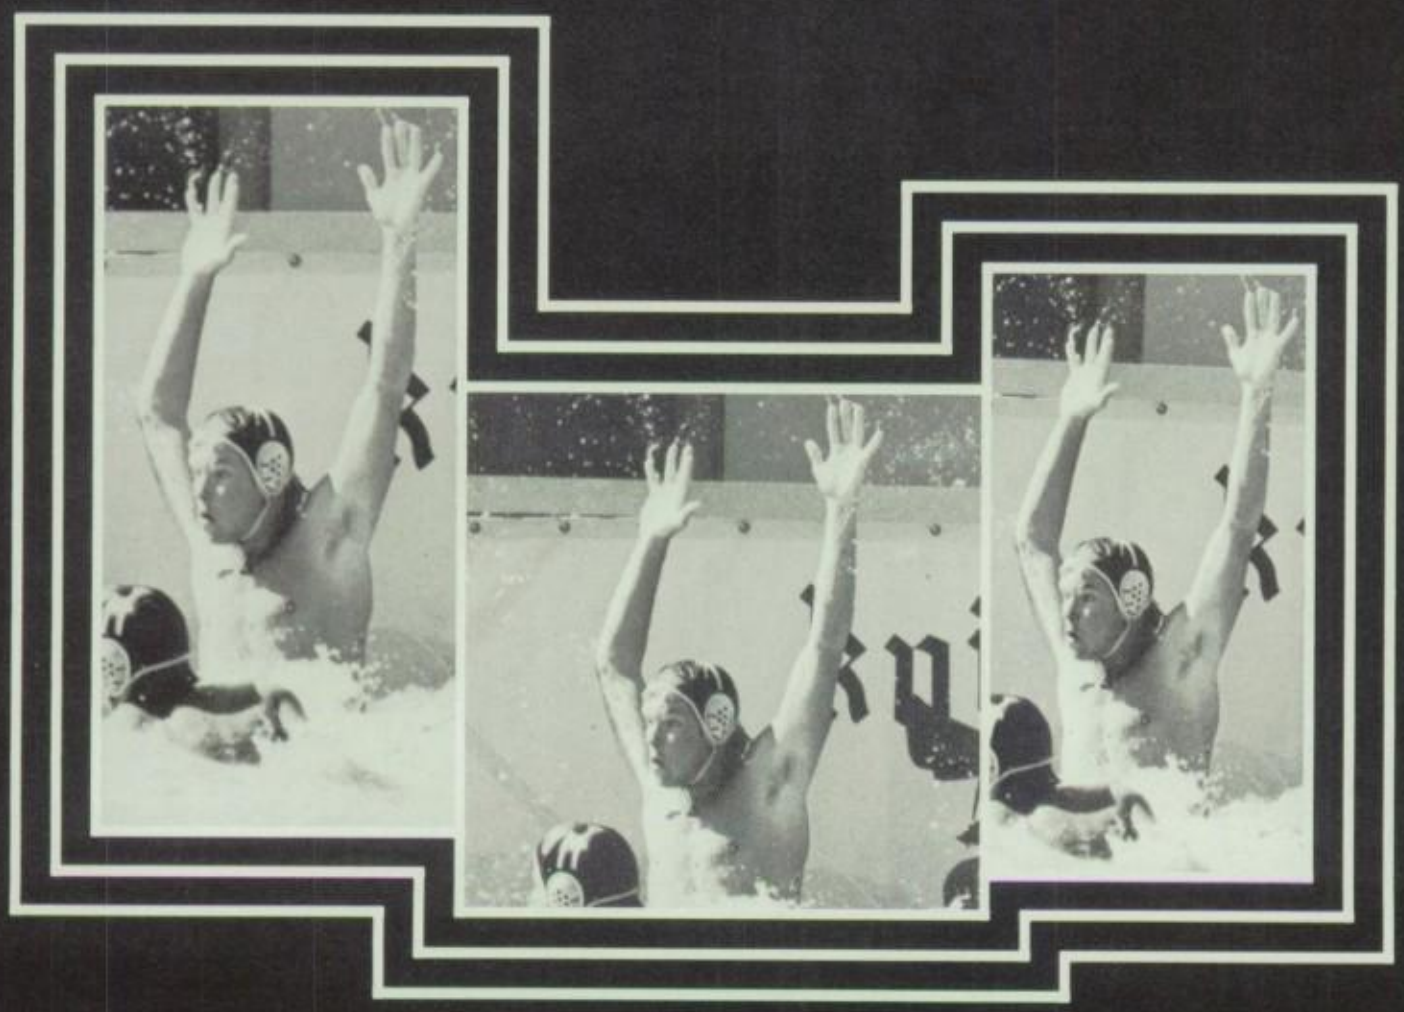
1981 WAS A GOOD YEAR FOR . . .



. . . SPORTS

The 1980-1981 school year was a reat year for sports! Most varsity ports, both boys' and girls', placed league and continued to CIF play-ffs. Many JV and frosh/soph teams lso won their titles, providing a con-tant source of pride for all Knights.

The pictures to the left and above re just a few examples of what ex-ellent athletes Foothill produced his year.

To the far left, Barbara Higgins hows her running skills. She was ne of the best runners in the league and continued to participate in the CIF girls' cross country run-offs.

In the center, Tom Fischbeck, who was honored as the Offensive Player of the Year by the league as well as being named to the all-league first team, employs the skill which aided the football team in reaching the CIF semi-final round for the first time in 11 years.

In the next picture, Judi Graves displays the style which ranked her and her partner, Shellie Frey, as the number two doubles team in Century League girls' tennis.

Up above, Shane Griswold stops a possible goal. He went on to the CIF play-offs with the team and was also named on the all-league first team.

1981 was a good year for all sports. It provided a chance for many people to participate in a winning season. The records set during the past season will most likely remain unbroken for many years to come. 1981 will be a hard year to live up to for it wasn't a good year; it was a GREAT year for sports.

NEXT YEAR IS HERE

For the first time since 1975, the Varsity Football team has not had to say, "Wait until next year . . ." because "NEXT YEAR IS HERE!!"

Despite the possible disadvantages of number (only 35 players), the Knights outshone their opponents because, as Coach Rosmino stated, "More than quantity, we have quality athletes." When the 9-4 record, which includes games thru the CIF semi-final round of the Southern conference, is examined, this statement becomes obvious.

Although the Tustin game (44-14) got us started, the most memorable game of the season was against Villa Park. An excellent comeback was accomplished when Miller completed a pass to Marshall in the corner of the end zone, winning the game with three seconds remaining.

Coach Rosmino felt that "The heart of the team is the line. They're the 'function people' that make it happen."

The Knights possessed the three top scorers in the county: Miller, Fischbeck, and Marshall. Fischbeck was also named as the Offensive Player of the Year by the Century League.

IT WAS A HECK OF A YEAR

If the near-perfect performance of the 1980 sophomore football team is any indication, then next year varsity squad should have no trouble making the C.I.F. playoffs again. At the beginning of the season, the team was skeptical about winning because they had lost some freshman talent. Their skepticism did not last as they went on to win the Century League co-championship with a season record of 8-1.

The team had several memorable games in the 1980 season. In the Valley game the team faced their first adversity. Trailing at halftime (7-6), the team rallied in the second half and won the game 12-7.

In the Villa Park game the team displayed an all-round team effort. The score was 0-0 all the way until the third quarter. Exceptional blocking by the offensive line opened holes for Mike Johnson and Troy Meier to score two touchdowns to shut-out the Villa Park team 14-0.

The Valley game was a showdown between two undefeated teams. The score remained tied (7-7) until the last minute of the game, when Mike Johnson blocked a punt and Dean O'Dell picked up the ball and ran for the winning touchdown.

The game that stands out the most in people's minds is the El Modena. The sophomore team wanted to be the first team in Foothill's history to go undefeated two years in a row. With 48 seconds left in the game, Troy Meier crossed the goal line for the winning touchdown. Unfortunately everyone saw it but the referee. Misjudging the play the referee called it back and El Modena won 0-6. Coach Di Thomas said, "I never saw a team work so hard — try so hard. It was obvious we should've won, we dominated the game . . . we simply outplayed them." This disappointing game left the sophomore team with a near perfect record of 17 wins and 1 loss in two years.

The coaches named "a Knight of the Week" for each game of the season to serve as an honorary captain with the permanent captains *Troy Meier* and *John Katnik*. The Knights of the week were: *Andy Carlson*, Los Alamitos; *John Healy*, Marina; *Doug Gorrie*, Valley; *Joel Bronson*, Villa Park; *Mike Johnson*, Canyon; *Greg St. Charles*, Orange; *Dean O'Dell*, Santa Ana; and *Pete Carter*, El Modena.

Besides having the whole team letter, five individual awards were given out. *Pete Carter* was awarded Most Inspirational and *Mike Johnson* was awarded Mr. Hustle for his over 200 carries, totaling 985 yards. The team voted *John Healy* for Most Valuable Lineman, *Troy Meier* for Most Valuable Back and *Scott Almquist* for Most Improved.

Coach Di Thomas summarizes the season perfectly, "It was a hell of a year . . . We'll get em next time."

FRESHMEN SHOW POTENTIAL

Placing second in league with an impressive 7-4-1 record, this year's freshman football team showed much potential and assured Foothill of a strong team in the future.

The team had a rigid game schedule which included Saturday games. They remained spirited, however, continuing to play their bests and to support their teammates. Coaches Bronson, Buckle, Jessup, and Morgenstern were so happy with their team's spirit that they gave each member of the team a Most Valuable Player award.

The team in turn gave awards to outstanding members of the team.

On offense, Chuck Fenton received recognition as the Most Valuable Linesman, and the Most Valuable Back was decided to have been Richard Ash. On defense, the Most Valuable Linesman was considered to be Craig Smith, while Darren DiMarco was the Most Valuble Back.

Other awards given were: Most Inspirational to Walter Williams and the Coach's Award to Steve Schumaker. The Most Heart awards were given to Mike Caffrey, who broke his wrist making him unable to play any games, and to Chris Dabrow, the starting quarterback, for constantly being under pressure.

This year's freshman team had inspiration, spirit, and skill and were a source of pride for Foothill.

RUNNERS RUN ROUGH RACE

After winning C.I.F. last year, this year's boys' varsity cross country team had a tough act to follow. In addition, seven of the twelve varsity lettermen graduated in 1980. The team began working out early in July, knowing that there were some open spaces for a varsity position that needed to be filled. The top varsity runners this year were Mario Vega, John Balling, and Jeff Williams. The team placed second at Pacifica Invitational overall, fourth at Villa Park Classic, and second at Orange County Championships. They ended up taking a third place in league due to a first time loss in dual meet competition. On November 8, the varsity team went to C.I.F. prelims where Sean O'Toole and Ron James had to be brought up from their position to run on the varsity team due to an excessive amount of injuries. The team concluded their season by placing fifth in the prelims, just missing qualifications for C.I.F. finals by three points. On December 3, the annual cross country banquet was held at the Elks Club. Special trophies were awarded to the outstanding distance runners. The "Most Improved Senior" trophy was awarded to Sergio Mandiola, who took more than one minute and fifteen seconds off of his time. The "Most Valuable Senior" and the "Knight of the Year" trophies were awarded to Mario Vega, who had an excellent season from the beginning to the end. The "Most Valuable Junior" trophy went to varsity letterman Jeff Williams, who placed third in the Century League Finals, closely behind El Modena's Steve Valen and Tustin's Mike Parker. The "Most Improved Junior" trophy went to Sean O'Toole who took more than two minutes off of his time this year. Although the 1980 year was not the best for the boys' varsity cross country team league wise, the team still showed excelent times throughout the season. Although four of the top seven varsity runners graduated this year, the team is looking forward to a successful season next year as they are expecting the freshman and sophomore teams to improve tremendously in the 1981 season.

RUNNERS GO FAR

This year's Boys' J.V and Frosh./Soph. cross country teams had an outstanding season. With both teams going undefeated in dual meets, their final record was a perfect 7-0 score. At invitationals both J.V. and Frosh./Soph. teams never received anything worse than a third place. At Pacifica the juniors took first place with Rob McKay and Greg Wright placing in the top ten positions. The sophomores also took a first place at Pacifica and the freshman team placed second. At Villa Park Classic the J.V. team took the third place team sweepstakes and the Frosh./Soph. team received second. On September 27, the Frosh./Soph. team attended the Corona Del Mar Invitational without the Varsity and J.V. teams. Both the sophomores and the freshmen took a second place. On October 18, Foothill hosted the Orange County Championships once again, but this year it was held at Irvine Park for the first time. The teams did extremely well with the J.V team taking a second, the sophomores taking a first, and the freshmen taking third overall. The team ended their dual meet season successfully at the Century League Finals where the J.V. team tied for first place with Villa Park and the Frosh./Soph. team became Century League Champs, taking five of the top ten places. The top runners this year were Randy Miller, Scott Emery and Sergio Mandiola. Top Frosh./Soph. runners were Ron James, Ron Morris, and Dave Nesbitt.

These boys made an amazing effort to run their fastest, and they did. The determiniation of these Foothill boys outshone, by far, every other high school team. Each athlete exhibited his talents throughout the season. Hopefully, these young athletes will prove their talents again next year.

Runners Set Pace

The 1980 Girls' Varsity cross country team, coached by Mr. Thomas, has once again proven themselves to be number one in league. The team easily handled El Modena, Santa Ana Valley, Villa Park, Santa Ana, and our rival Tustin High School this year in league competition. Placing second at the Dana Hills Invitational and winning the team sweepstakes at Pacifica, the girls went on to win the 4A division at the Orange County Championships, which was hosted by Foothill. Making the first team in Orange County were, Patience Unger, Sue Meyers, and Amy Cox. Making the second team were Barbara Higgins and Laura Higgins, and the third team consisted of Kathy Devine, Lori Almquist, and Lisa Herman. With the varsity winning 33 straight Century League meets, and taking first place at Century League Championships, they placed sixth at C.I.F. finals. With only one senior on the varsity team this year, the remainder will return next year to carry on thier winning streak.

In order to regain their title next year, the girls varsity cross country will continue their summer workouts where they hold daily practices in rain or shine: These workouts require tremendous dedication and enthusiasm, which is always displayed by all varsity members during the entire summer.

This year's Girls' J.V. cross country team dominated every dual meet. 38 girls on the J.V. team, they again went undefeated throughou 1980 year. With consistent runners as Tracy Reese, Peg Cruickshank, Madsen, Erin O'Toole, Jill Thoner Almquist, Melisa Smith, and Jill H who alternated from varsity to J.V team had a perfect record of 7-0 six out of seven shut outs. They won all of their invitationals and considered the best J.V. team in O County. On November 8, the J.V. went to League Finals at Mason where they captured eight of the to places, with Jill Koval leading the With 15 of the top 20 J.V. girls in le being from Foothill, the team became Century League Cham with no competition. KNIGHTS TAKE LEAGUE

The 1980 girls' varsity tennis team was outstanding. They took the Century League Championship with an undefeated season. Marci Margolin, Leigh Graves, and Judy Graves were the top singles players on the team. They proved to be outstanding players and continued to improve as the season progressed. Also leading the Knights to victory were Tracy Gault, Dawn Rowe, and Kelly Escalera. Team Captains Kelly Escalera and Tracy Gault were unbeatable as a team. They were the top doubles players on the team. They had an excellent season. One of the team's biggest victories was over Tustin as they beat them 15-3. This team has a lot to look forward to next year because there are ten returning varsity players. There are only two seniors on the team, Leigh Graves and Terry Hirotsu. There are also two freshmen on the team, Debbie Turbow and Sandy Hirotsu. These two young players will continue to improve at Foothill and will be gr assets to the team in the future.

The girls' J.V. Tennis Team w also outstanding. They too took Century League Championship. Th went undefeated in league 9 and They ran over Tustin on the way the top of the Century League. VARSITY GOES TO C.I.F.

After the season that the previous Foothill water polo team had had, a lot was expected from this year's group of athletes. They disappointed no one. They kept the varsity tradition alive by going to CIF. They reached the second round before a close, heartbreaking game with El Dorado ended their season. All players were outstanding with great depth on the bench also. Seniors include co-captain Marty Florman who was most memorable for his extra man scoring talent. Marty was awarded first team all-CIF and first team all-league honors. Tom Toohey was honored third team all-league. Tom was co-captain, and he was the most aggressive player. He was "always thinking" through the course of the game. Shane Griswold, holds the record for goal crossing, which is a difficult task that goalies work at. This was the defense the team needed, and helped to win him an all-league first team honor. Willy Reese, known for his ability to force turnovers and for shooting a perfect lob shot, won third team all-league honors. Keith Sterbenz was known b opponents as an excellent defen player and a well accomplis offensive driver. Equally outstan were Mike Reynolds, Doug Herb Lenny Goodsir, and Mark Terry. team had come a long way from fifty pre-season games played. Coaches DeLong and Simcox shout encouragement.

Special awards went to Reese, received "Most Improved," Florm the "Offensive Player of the Ye and to Griswold, the "Defen Player of the Year." The "Chip S Award" went to both Shane Grisw and Keith Sterbenz. Tom Too earned the "Scholastic Achieven Award," and Marty Florman rece the famed "Knight of the Award."

With four returning varsity pla and many from frosh/soph and teams, next year's team will prove to be very exceptional.

J.V. TIES FOR 1st

A demanding year was in store for the 1980 J.V. water polo team. All through the summer the team worked out with Foothill's varsity team. They played against other varsity teams and college teams such as the U.S.C. "C" team and Orange Coast. All J.V. players gained unlimited knowledge and experience. By the time the first league game rolled around, it was quite clear the team was destined for greatness. The Knights beat such powerhouses as Estancia and Dana Hills High Schools and received one of its most rewarding victories against league rivals Tustin, winning in overtime 8-7. There was little opposition throughout the season. All games were won with full team participation. Coach DeLong and Coach Drucker remarked of the 1980 season, "The magnitude and depth were overwhelming. The players worked hard and played like champions." The J.V. team settled for a first place tie in the Century League.

At the awards banquet held on December 9, Jay Churchill received the "Most Improved" trophy and Dave Williams was awarded the "Most Valuable" trophy.

Clint Gaughran passes the ball.

Coach Drucker with the help of Coach DeLong shaped the . Mini-Knights into a typical Foothill frosh/soph team, taking second in a very tough league. At the beginning of the summer the team consisted of many beginning swimmers along with superstars from last year's team. The whole team worked hard and all members were a great benefit to the team's success. Outstan ding contributions came from goalie Rodger Cleye, Rob Bradshaw, David Baia, Jeff Brouk, Chris Larson and Clint Gaughran. All were outstanding in making the Foothill Aquatics Program a great success.

BUMP! SET! SPIKE!

The girl's varsity volleyball team capped off a tremendous 20-3 season when they won the Century League championship. Coach Adams felt the team's biggest triumph was their second game against Orange. After losing to them earlier in the season, Foothill rebounded with a straight set victory (15-6, 15-6) when the teams met again. After a successful season, Foothill advanced to the C.I.F. quarter-finals. Anne Dean, Lisa Grandmaison, Shaun O'brien, and Shari Rasmussen were selected to the All-League first team.

The varsity team also participated in two tournaments. In the Los Amigos Tournament they took first place out of 20 teams. Anne Dean was named all-tournament and Lisa Grandmaison was selected most valuable player. In the Westminister Invitational, Foothill placed second out of 30 teams. Lisa Grandmaison was selected all-tournament.

The JV team displayed great effort and improvement throughout the season. A team of 11 sophomores, two juniors, and one senior lacked experience at the start of the season. Their hardwork and determination placed them fourth in the Century League with a record of 9-7. Coach Hilsabeck felt that they were able to iron out all their problems and is looking forward to a successful season next year.

With any luck, Coach Hitsabeck will be able to pull them through to make a fantastic volleyball team in 1982.

SHOOTING FOR THE STARS

The 1981 Boy's Varsity Basketball Team set three goals: 1) to win the Century League Championship, 2) to go to the CIF Playoffs, and 3) to beat Tustin. Coach Reames felt that the team was strong in size, in shooting, and in defense. Two returning starters from last year's team were Jon Haymond and Richard Thomas. Greg Haly and John Marshall, both from last year's JV team, moved up to varsity, along with Brian Bailard of last year's sophomore championship team. Making the chances of accomplishing their goals even greater, Scott Robbins, Allan Badder, and Rich Schultz did an excellent job as backup.

Jon Haymond battles a Saint for the ball.

The team was able to participate in two pre-season tournaments. In the San Clemente Tournament the team started off slowly, losing their first game, but rallied in the second half to win the Consolation Championship. Jon Haymond was awarded all-tournament first team. In the Orange Optimist Tournament, the Knights beat Katella (62-57) for the first time in Foothill's history. Richard Thomas was awarded all-tournament first team. With all the potential and talent that the varsity basketball had they had a disappointing season.

KNIGHTS HAVE A FUTURE

This year's J.V. Basketball team has proven that Foothill will have a strong squad for a few years to come.

There were many veteran players. Bob Gore and Dave Cross were both returning J.V. players. There was also one sophomore on the team, Marc Levine. The rest of the team consisted of juniors graduated from last year's sophomore team.

A remarkable season which was achieved by this year's sophomores will forever be remembered and will be a goal for other teams to aim for.

Like the J.V. squad, the Sophomore Basketball Team is made up primarily of veterans from last year's team. Their experience was sho on the court as they made their ponents appear to be novices first time to see a basketball.

The freshman team should also noted for their hard work and abil They have set an example wh teams of all sports should heed they openly displayed school sp and loyalty to their team.

CAGERS GO TO CIF

The Girls' Varsity Basketball Team repeated their past. The Foothill Cagers were once again rated as the number one team in CIF. They started the season headed in the right direction. The Knights powerfully took first place in the Cypress tournament for the second year in a row. This was followed by perhaps the two best games of the season, one in which Coach Adams pitted the team against Orange and beat them 51-31; next was Santa Ana High School who never did know what hit them when they were blown away by the Knights 53-19.

All games were won with full squad participation with outstanding contributions from senior Lisa Grand maison and junior Anne Dean. The players responsible for this year's success were Shari Rasmussen, Shaun O'Brien, Cindy Webster, Anne Dean, and Lisa Grandmaison, starters, and Jennifer Cooke, Johanna Dethlefson, Jill DeSantis, Lisa Racine, Michele Billadeau, Maureen Joyce, and Laura Slippy, backup. Four of the varsity members were veterans from last year's squad: Maureen Joyce, Anne Dean, Cindy Webster, Shaun O'Brien, and Lisa Grandmaison. Jill DeSantis, Johanna Dethlesen, and MIchelle Bilodeau were all promoted from last year's J.V. team.

Like the varsity team, the J.V. squad had a strong season. With three veterans from last year, Michelle Pinney, Linda McLaughlin, and Lisa DeGabrielle, the team had experience and will provide Foothill with a strong team for the '81-'82 season.

SOCCER TEAM HAS SKILL

Now in its fifth year of existence, the Foothill Varsity Soccer Team followed the rest of the Knights to VICTORY!!!

According to Coach Korich, the reason for the team's success was a mixture of their excellent spirit, their enthusiasm, and a lot of hard work.

Probably their most impressive game was actually a second half against a tough Santa Ana team. They lost the game, 2-3; however, the team would not throw in the towel until the game was over.

Craig Miller, the center forward, was "a key scoring threat" to the Knights' opponents for he was the team's "most able striker" and the highest scorer. For this reason Korich felt Miller was the team's most valuable forward. However, without his connection man, center half Mike Mugrage, Miller might never have gotten the ball. Needless to say, Mugrage was considered to be the most valuable halfback. Protecting the back field was another area in which much skill was needed. Dave Stevens was considered the most able fullback.

Gary DeRose passes the ball.

Each member of the 17 man team was considered to be a "fine young ball player" and the balance in age, eleven seniors, two juniors, and four sophomores, gave the team additional strength.

"Able to brilliant" was how Korich described his rotating wings: Steve Brand, Glen DeRose, Gary DeRose, and Craig Placek. He pointed out, however, that Tom Neiger, Andy Holden, and Dereck Rivas, all halfbacks, had the hardest work load in their job of getting the ball from backfield to the forwards.

The 1981 soccer season will be remembered, for not only was the team blessed with great talent, but these talents also had the ability to work as a team.

SUCCESS IS THE GOAL

The JV soccer team was looking forward to a successful 1981 season. The team was young and had a lot of potential. The halfback line was led by freshman Ned Kroko and sophomore Steve Thomas. With a strong defense and a forward line led by Dan O'Sullivan, the Knights were on their way to a spectacular season. Coach Beebe felt the team was a good example of a soccer team, "Not necessarily because they win, but because of their attitudes. They're not just out there messing around. They are out there working to reach their potentials. In anyone's opinion, this is what makes a successful team. This holds true not only in soccer, but in any field."

The 1981 frosh-soph team was a new addition to the soccer teams at Foothill. The team was designed to develop the skill of younger play and to eventually strengthen the v sity and JV teams. The frosh-soph fense was led by Dave DeRose, T Devine, and Robert MacLachl while Derek Banks and Mike Lane the defensive force. Even though team only had a chance to play f teams in the Century League, th spirit and aggressiveness never fa ed. Coach Hogan felt that they w a good group of kids that rose to occasion and played well. When th won the Consolation Trophy at University High School Tourname they proved this to be true.

WRESTLING HAS SPIRIT

The 1981 Wrestling Team was significantly different than any wrestling team Foothill has had. The frosh-soph, J.V., and varsity teams were combined into one wrestling team.

Starting out slowly, the team showed great improvement during their hard weeks of training. The Knights had a frustrating year, winning only two matches, but it was a season they all enjoyed. However, Jimmy Davis won third in the Century League.

Coach Chris Haug was the driving force behind the team. The team's spirit and unity helped them through a demanding season.

Coach Chris Haug watches every move.

The majority of the team was inexperienced, but after a season of hard work and heroic effort, they will be able to return in 1982 with solid experience. Only three members of the thirteen starting varsity wrestlers will be graduating. The ten returning wrestlers will be supported by some outstanding frosh-soph performers. According to Chris Haug, all of the wrestlers had a "real will and drive to win."

TEE TIME

Golf may seem like an easy sport to those who do not play, but those who have know that it takes extreme concentration, strength, and precise accuracy. However, with Coach McWilliams' instructions, and the support of all of the team members, golf became an easier sport.

Foothill's golf teams have done well in the past years, and this year was no exception. With three of last year's CIF golfers, Scott Turney, Perry Parker, and Pat Chamberlain, returning, the Varsity Golf Team had a strong team and a good season. The Junior Varsity Team did well also, with each team member playing his best.

HOCKEY STICKS IT TO 'EM

The 1980-81 Girls' Varsity Field Hockey team was directed by a new coach, Sherri Hayes. The team added a win to its 1981 pre-season record by defeating Westminster, 1-0. The Westminster game was one of the most highlighted games of the season as they played outstandingly both offensively and defensively. Another game that was played well was against Orange High, as the Knights had a tremendous victory of 4-0. Coach Hayes kept the girls enthusiastic throughout the season. "We're going to take it a game at a time," said Coach Hayes, and the positive attitude of the team saw another league championship.

The 1980-81 girls' JV Field Hockey team once again had a successful year. Coached by Miss Powell, the team showed talent in all areas. Their best game throughout the season was against Santa Ana Valley where both teams played an outstanding game. With both teams having an equal desire to win, the game ended in a tie of 0-0. The backbone of this remarkable team, due to their previous experience, were returning players Kathy Flower, Anthea Ip, and Maria Ornes. New players that showed potential talent this year were Marlene Millican and Dawn Yancey, both freshmen, who contributed a great deal to the team's success. With a great number of freshmen on the team this year, they are looking forward to their next season.

KNIGHTS SOAR WITH BIRDS

Janice Quackenbush says "Because of the new policy of not cutting people, the courts are overcrowded with people who will probably never get to play in any matches." Nevertheless 1981 was a good year for badminton. Throughout the season, the team worked hard to achieve the goal of remaining League Champions. The varsity team proved to be very strong with the help of 16 returning players, who showed a willingness to practice hard, and to play their best. The team's toughest competition, as in previous years, was Tustin High School, but Coach Mike Yancy and Assistant Coach Julie Klarquist were confident that the team would be successful in defeating the opposition. The team played ten dual matches, at which they put forth their best effort.

Andrea Engle — Varsity player

Although the junior varsity was a young team, Coach Yancy was pleased that they showed promise, dedication, and enthusiasm for the sport. Both varsity and junior varsity showed their dedication by practicing hard when the season started. During the season, the team practiced three hours in the afternoon, except on Tuesdays and Thursdays which were game days.

BOYS' TRACK IN PURSUIT

The track season of 1981 was indeed a memorable one for Foothill High. C.I.F. put the season back one week in 1981 so that seasons would not overlap; because of this, the track team had more time to practice for their toughest meets against El Modena, Santa Ana Valley, and Villa Park. The spring season gave the sprinters an early chance to display their talents. Running in outdoor meets such as Tustin Relay, and Laguna Beach Invitational helped give the team experience. This was a new chapter in Foothill's track history, as the Knights displayed growing talents in many meets both home and away. In the past, Foothill has gone with distance as a strong point, but this year the emphasis was on sprints. Every event improved throughout the season. "The sprint relay was the strongest event," sa Coach Munhall. With the season pu ed back one week, returning athlet John Marshall, Tom Fishbeck, a Sean O'Toole had time to impro their times. The coaches were ve pleased with the achievements of th 1981 team.

GIRLS' TRACK ON THE RUN

Foothill's Girls' Track Team put together another great season. According to Coach Morgenstern, "the strongest event was the 880." Starting the season as one of the top teams in the league, the girls' enthusiastic attitude made a major difference in the results achieved. Returning competitors, such as Patience Unger and Peggy Cruckshank allowed the team to control most of the events entered. The team's attitude towards winning was stronger than ever. As in past years, Foothill's strongest competitors were Tustin, Canyon and Santa Ana Valley. However, as Coach Morgenstern pointed out, "We have a lot of super talent, some of which still has reached full potential. When they c our competitors had better wat out." The Knights' girls displayed abundance of strength and tale The thing that made the biggest d ference however was that from t very beginning, the girls' "clicked a team." This year Coac Morgenstern became head coach. the future Coach Morgenstern pla to take the girls to C.I.F. champio ships. KNIGHTS PLAY THE FIELD

The 1981 Girls' Varsity Softball Team began a rebuilding season due to the loss of four of their key players in the 1980 season. With Sid Gitthens, Dick Fedderman, and Mary Norris on the coaching staff, the Girls' Varsity Softball Team grew to be strong. Five of the eight lettermen returned to assist the varsity team in their battle for the league championship. The varsity team had a great number of strong contributors; a great amount of play was due to the newcomers this season who showed a tremendous desire to win. Tustin High was the varsity team's toughest competition, but with a lot of hard work the team once again strived for success.

The Girls' J.V. Softball Team, like the varsity team, showed a great deal of talent both on the field and at bat, as they strived for the 1981 League Championship. The J.V. team proved to be much stronger than the 1980 team. With only four returning players, the newcomers added a great deal of strength. Steve Yancey and Carlos Martinez were the off-campus coaches for the J.V. Team. Although their league was one of the toughest this season, the J.V. team improved tremendously. Each player put forth 110 percent, which proved to be the backbone of the team. Coach Gitthens complimented the J.V. team for the wins that they produced during the 1981 season.

KNIGHTS TAKE ADVANTAGE

The 1981 smashing tennis team was off to a great start when many of their varsity team members returned from last year's team. The team was once again coached by Mr. Zeich, and an off-campus coach, Rusty Miller, aided him. The Boys' Varsity Tennis Team was top rated in league competition after winning league every year for the past eight years. In several tough matches against Newport Harbor, Laguna Beach, University, El Toro, and Corona Del Mar, who proved to be the Knights' toughest competition, the Boys' Varsity Tennis Team demonstrated a strong desire to win.

Showing strength on all sides of the court, the 1981 Boys' J.V. Tennis Team proved to be remarkable, as they have in the past. Both the J.V. singles and doubles teams demonstrated talent and experience throughout the season. These young Knights competed strongly against such teams as Orange, Santa Ana, Tustin, Canyon, Villa Park, and Santa Ana Valley during their season. With many young players on the J.V. Boys' Tennis Team, Coach Zeich figures on many more great years of league championships to come.

SWIMMERS STROKE ON . . .

The record of the Aqua Knights, four CIF Championships and 102 consecutive duel meet wins, speaks for itself. The 1981 Boys' Varsity Swim team had a tough and competitive season. Although disappointed by a narrow defeat against our arch rival Tustin Tillers, team morale and spirit remained. Willie Reese and Shane Griswold enforced this enthusiasm by breaking tension with humorous jokes when things got tough. The season went all the way down to the wire when all eight teams of the Century League competed in the League Championship Meet for the number one position.

The J.V. Aqua Knights dominated league competition throughout the season. The J.V. team concentrated on shaping the skills and morale of their younger swimmers for an awesome future varsity team. The swimmers of both the J.V. and varsity worked hard (4.5 hours daily) and came out with experience that will benefit them always.

GIRLS SWIM TO VICTORY

"Swimmers are a great group of people" said Dawn Terry, and so 1981 was a great year for them. The girls' varsity had high hopes of following tradition by remaining League Champions for the fifth time in a row. In order to be successful in achieving this goal, the swimmers had to truly love, and be dedicated to the sport. For dedicated swimmers, practice began early each morning. After school practice once again took place. The varsity swim team practiced two and a half hours, and then relinquished the pool to the junior varsity. Special practices for those who missed earlier in the week were held on Saturdays. Varsity Coach Tom Delong and J.V. Coach Dave Simcox were pleased with the potential and enthusiasm their teams showed throughout the season.

Dave Simcox — J.V. coach.

The team swam in seven dual meets and several invitationals, and did well at all of them. Foothill's toughest competition came from Tustin and Valley. The girls' J.V. team, also had high hopes of coming first in league, and worked hard throughout the season to obtain their goal. During the season both teams showed a great amount of team spirit.

ON RESERVE

For the first time, Foothill had a no cut policy for freshman basketball and soccer. The reasoning for this was that so many people had to be cut from the teams that a lot of potential talent was being lost. Teams formed under this policy were called Reserve Teams.

"It was a very fine team," was Coach Hogan's description of the soccer reserve team who showed a great deal of spirit despite a 1-4-1 record.

The highlight of their season was a game against first rated Fountain Valley High School. Coach Hogan stated that no one expected them to even play closely, but they won, 3-2.

Tools of the trade.

The Freshman Reserve Basketb Team, which achieved a 6-4 reco "worked out really good," sa Coach Reames. He felt that t players showed a lot of improveme and potential for next year's tea Chris Dabrow, John Pliner, and Mi Coffey were considered the mo improved.

Because of the success shown both teams the reserve policy w continue in the future.

1981 WAS A GOOD YEAR FOR . . .

ADVERTISING AND INDEX

With the help of the entire Yearbook Staff, the advertisement fund-raising was a complete success. More money was raised than any previous year. Many do not realize how important this fund-raising was. The sponsors on the following pages help to defray the expenses of *The Shield* and therefore keep the price of the yearbook down.

In order to sell advertisements, each student received a territory when selling ads. Each potential buyer had his choice of advertisement size and content. When picking their design, many businesses and groups choose to congratulate Foothill students on their accomplishments.

When a student pays for his yearbook, he is paying for a plain-covered, black and white yearbook. In order for the yearbook to have a special cover or more color pages, the yearbook staff must go out to the potential buyer, a business or group, and sell advertising space. Not only does this enable Foothill to have a superior yearbook, it gives the small business an opportunity to advertise in a well-circulated high school yearbook while sponsoring a worthy cause.

On the opposite page, Julie Dreibelbis, Patty Rowbotham, and Jean Sinitzin prepare to sell an advertisement. Above, Patty Rowbotham, Carolyn Ornitz, and Julie Dreibelbis organize the Index, so that students have an easier time in locating friends and teachers.

Where there's donkeys . . .

A six-legged player shoots in Donkey Basketball

The Kiwanis Bowl Team: Back Row: Geoffrey Svie, David Schmid, Tom Strich, Fron
Row: Sergio Mandiola, Mike Romey, Cindy Webster, Chris Hubbard, Mr. Minne

Politician Kim Rodgers

Student News, the latest addition to the yearbook was an opportunity to recognize individual accomplishments and events.

If anyone did not go to *Donkey Basketball* on December 3 he missed a good time. It is like regular basketball, just add four more legs per player, a stubborn disposition, and a lot of laughs. The senior class won against the other three classes. According to one player, "Everyone would like Donkey Basketball. You cannot stop laughing."

On January 9, Mrs. Burns and Mr. Whitlock organized a *CROP fair* displaying 14 of the career programs it offers. Students earn credit for finding a career through "on-the-job" experience. The first annual fair was intended to increase the awareness and enrollment in the program.

Another event that interested students was the *Miss Tustin Talent Show and Pageant* on February 14 and 28. Eight senior girls from Foothill competed with others in both shows. The girls practiced eight hours a week for their dance and talent routines. When competition time came, they were judged for four titles: Miss Talent, Miss Congeniality, Miss Photogenic, and Miss Tustin. The judges scored them on talent, bathing suit, and formal gown competitions. Two of the winners came from Foothill. Karen Pritchard won the title of Miss Congeniality, and Heidi Slayton took Miss Tustin, third runner-up. The work paid off for all of them.

Without much preparation, Foothill chose a team for the *Kiwanis Bowl,* went to the contest, and took first place in their first round of competition out of five schools. Though every member was vital to the team, Sergio Mandiola was the biggest asset. Mr. Minne also helped make the team a winner.

Junior Kim Rodgers was exicted about the summer. The reason? She was picked to represent Foothill at the *1981 California Girls' State* at Sacramento. Girls' State is a practicum in American political living held in each state throughout the nation. On the state level, they debate bills and vote for a city and state government.

Much more happened this school year than can be put into a yearbook. For instance, the senior pranks, the days it snowed at Foothill, fads like punk rock and urban cowboy, constantly changing fashions, and all the problems and fun that go along with living today.

A student gets re-styled at the CROP Fair.

Miss Congeniality Karen Pritchard shows her winning smile.

The Foothill candidates for Miss Tustin: Sandy Patterson, Karen Pritchard, Nancy Freres, Laura Slippy. Heidi Slayton, Lori Moore, and Ellie Young.

Third Runner-Up Heidi Slayton shines.

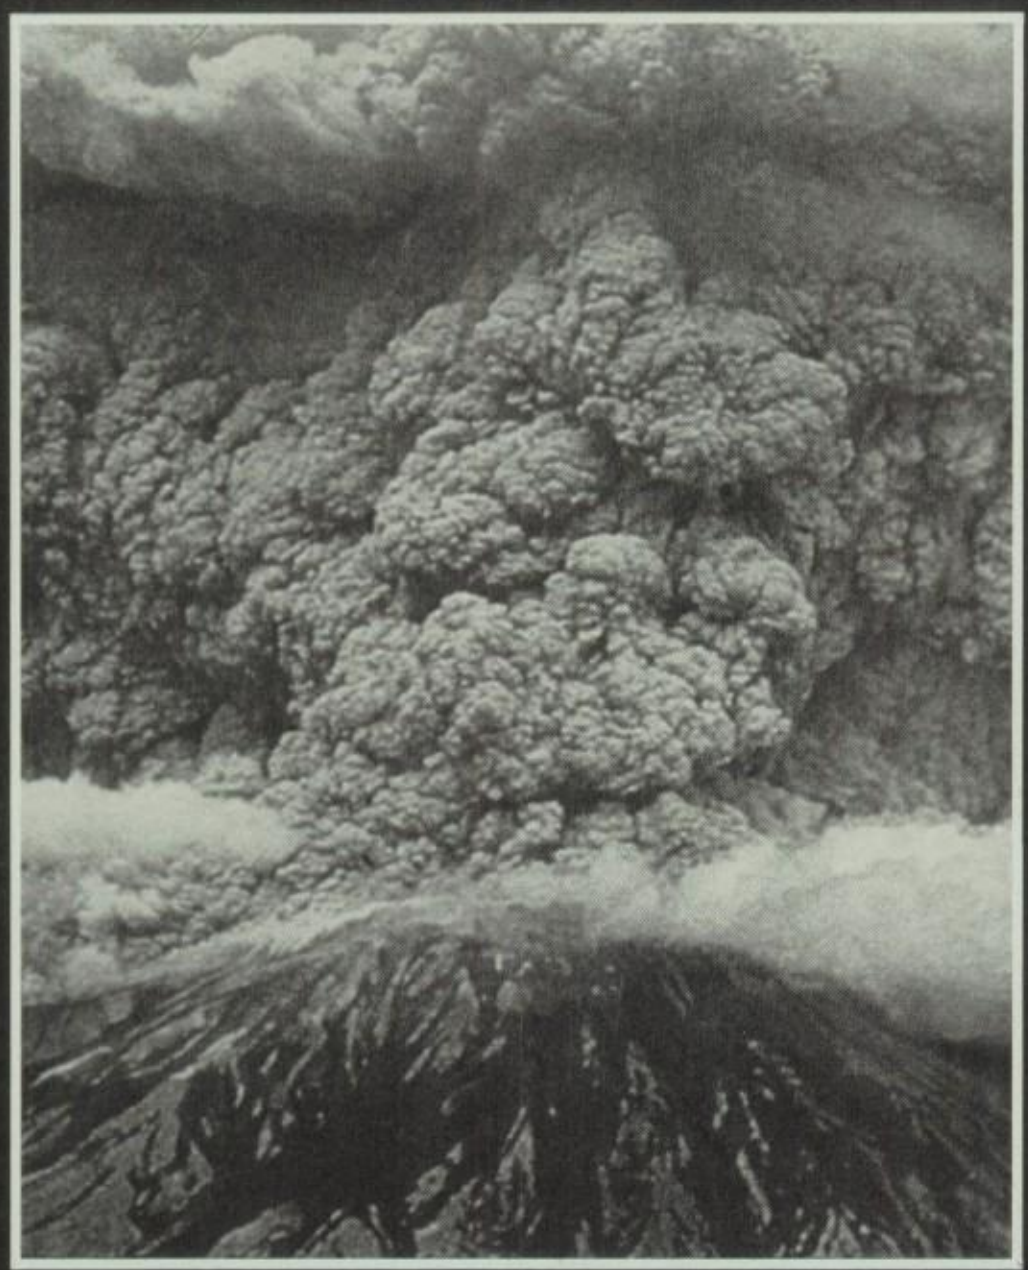
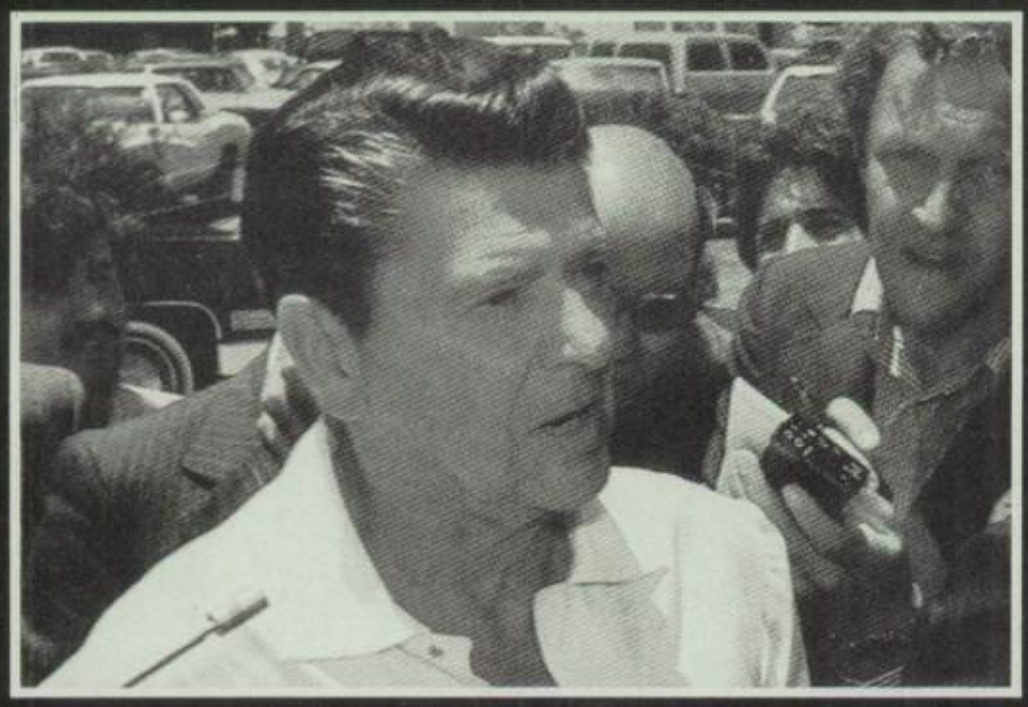
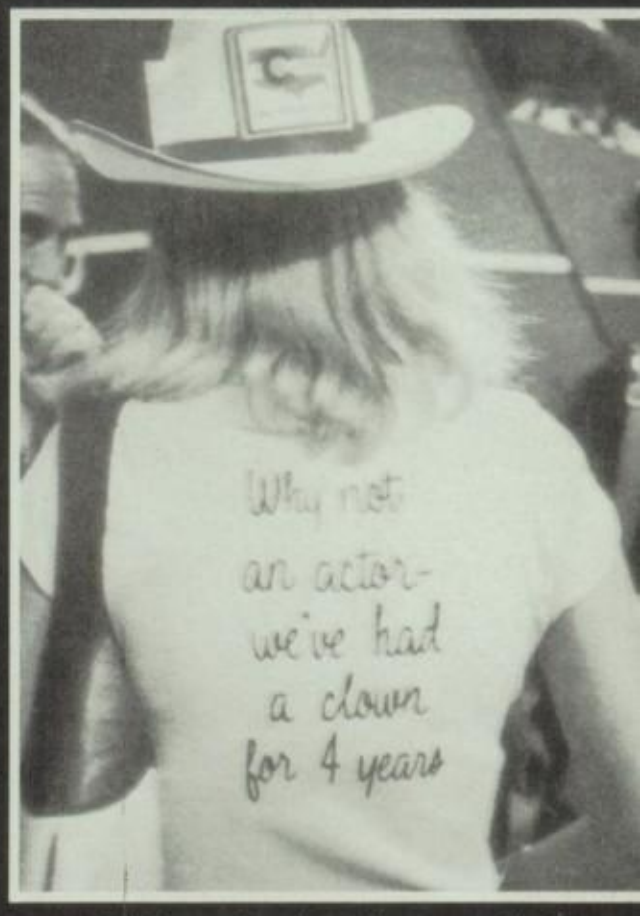
1980-81 Newsbreak



Mount St. Helen blows her top.



Ronald Reagan becomes the 40th president of the United States.

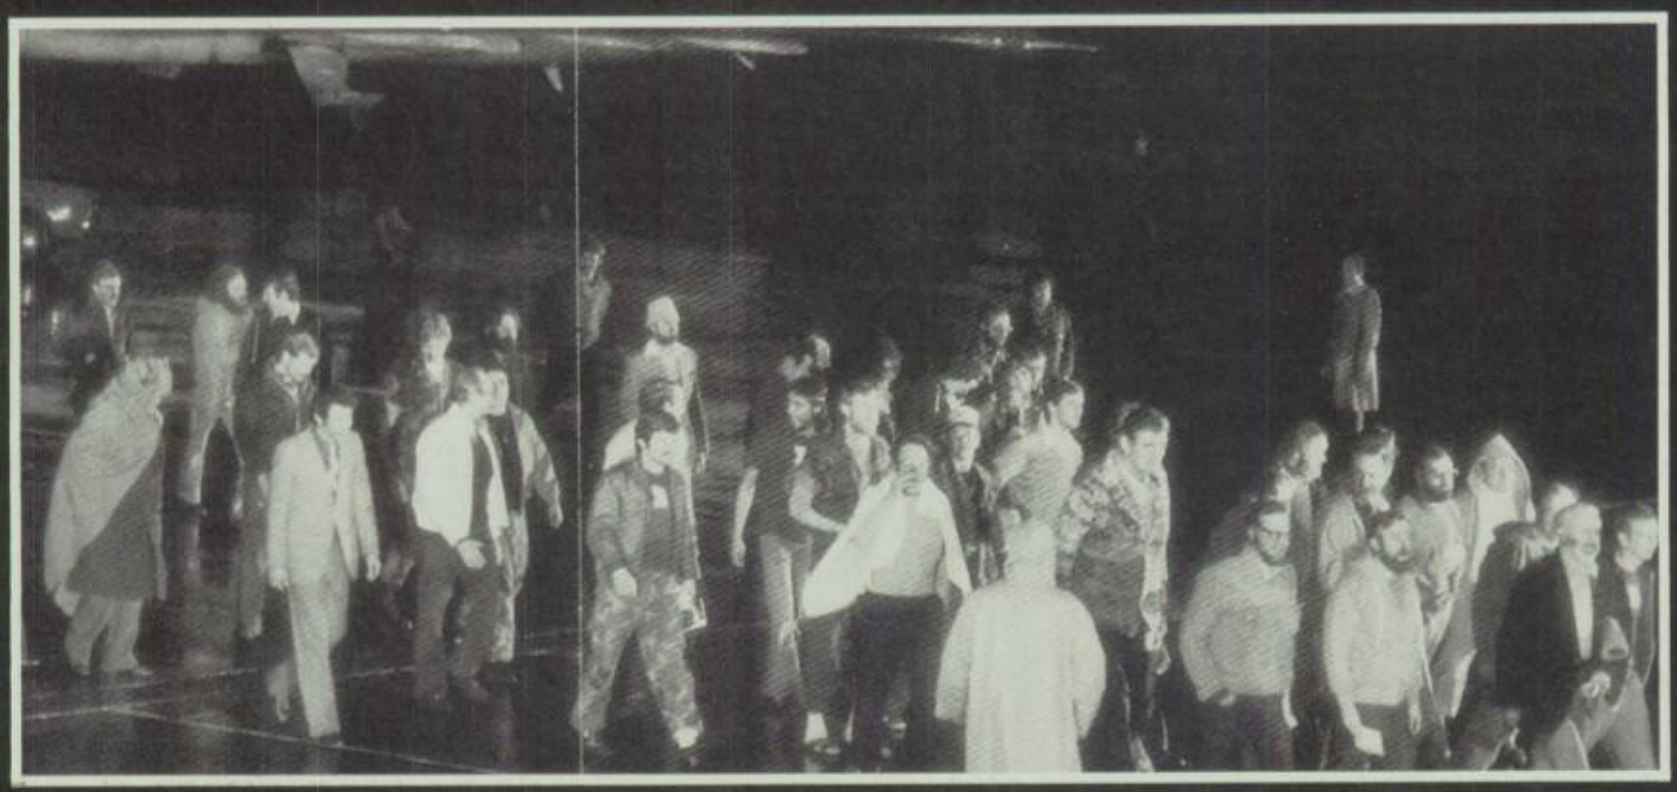


What a way to welcome the new president.

The public expresses their American spirit.

John Lennon, an idol of his own time.

John Lennon and his wife Yoko Ono.



When the 52 hostages return home, they are overwhelmed with tears of joy, high spirits and a river of yellow ribbons.

Things weren't always what they seemed or what they had promised to be in 1980. What turned out to be a momentous year has passed like a trip through a dark tunnel filled with surprises.

A major event, which was inconceivable for the world's strongest nation to be involved in, was the hostage situation instigated by Muslin fanatics which began November 4, 1979. The celebration of freedom for the 52 hostages began when they returned home after spending 444 days in captivity. When they were released January 20, 1981 the crowds began to scream, the bells rang, the flags flew and a million yellow ribbons fluttered through the air. Because of this whole situation, the entire country showed great pride and patriotism. On the very same day in a ceremony, full of hope and high expectation, Ronald Reagan took his oath as 40th president of the United States.

In May of 1980 a part of American faced a natural disaster. The disaster was the unexpected big bang of Mount St. Helen which was as powerful as the largest hydrogen bomb ever exploded.

To end the 1980 year, in December, a legendary rock hero, John Lennon, met an untimely end.

These events, which emerged in the last year, will live on in the minds of all and coutinue to live in the future as part of our history.

In The Heart Of The Knight

In the heart of the Knight
Beats the song of these years,
Remembering the good times,
Remembering the tears.

The knowledge, the wisdom
Through the years will remain,
With classmates our friendships
We'll strive to maintain.

As we build for our future
And reach for our dreams,
These years and their memories
Will flow through us like streams.

This poem and its memories
We'll recall with delight,
Our last celebration
In the heart of the Knight.
